SUPPLEMENTARY INFORMATION: Pursuant to the PRA, 44 U.S.C. 3501, *et seq.*, and 5 CFR 1320.5, all information collections, as defined in 5 CFR 1320.3, require approval by OMB. ONRR may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number.

As part of ONRR's continuing effort to reduce paperwork and respondent burdens, ONRR is inviting the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information in accordance with the PRA and 5 CFR 1320.8(d)(1). This helps ONRR to assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand ONRR's information collection requirements and provide the requested data in the desired format.

ONRR is especially interested in public comments addressing the following:

(1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of ONRR's estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic,

mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

As required in 5 CFR 13208.8(d), ONRR published a 60-day notice, for review and comment, in the **Federal Register** on January 26, 2023 (88 FR 5038). ONRR did not receive any comments in response to the **Federal Register** notice available at www.regulations.gov.

ONRR reached out to members of industry soliciting comments for our information collection request renewal and received four comments. Three members of industry provided comments agreeing with the content of this information collection, while one member of industry suggested moving to reporting on a quarterly, semi-annual, or annual basis. ONRR provided responses to each commenter accordingly.

Comments that you submit in response to this notice are a matter of public record. ONRR will include or summarize each comment in its request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask ONRR in your comment to withhold your personal identifying information from public review, ONRR cannot guarantee that it will be able to do so.

(1) Capital Accounts and Reports: Sections 1220.010 and 1220.021 require the lessee to establish and maintain a capital account for the lease. Section 1220.031(a) requires the lessee to file annual reports with ONRR until production revenues are credited to the capital account. Section 1220.031(b) requires the lessee to file monthly reports with ONRR once production revenues are credited to the capital account. Section 1220.031(e) requires the lessee to file a final report with ONRR upon cessation of production.

(2) Inventories: Section 1220.032(a) and (b) require the lessee to take
