Written Comments and Statements: Pursuant to 41 CFR 102–3.105(j) and 102–3.140 and 5 U.S.C. 1009(a)(3), the public or interested organizations may submit written comments or statements to the Subcommittees and/or the ACANC in response to the stated agenda of the open meeting or in regard to the ACANC's Committee's mission in general. Written comments or statements should be submitted to Mr. Matthew Davis, the Alternate DFO, via electronic mail, the preferred mode of submission, at the address listed in the **FOR FURTHER INFORMATION CONTACT** section. Each page of the comment or

statement must include the author's name, title or affiliation, address, and daytime phone number. Written comments or statements being submitted in response to the agenda set forth in this notice must be received by the ACANC's DFO at least seven business days prior to the meeting to be considered by the ACANC. The ACANC's DFO will review all timely submitted written comments or statements with the ACANC's Chairperson, and ensure the comments are provided to all members of the ACANC before the meeting. Written comments or statements received after this date may not be provided to the ACANC until its next meeting. Pursuant to 41 CFR 102–3.140d, the ACANC is not obligated to allow any member of the public to speak or otherwise address the ACANC during the meeting. Members of the public may be permitted to make verbal comments during these meetings, and if allowed only at the time and in the manner described below. If a member of the public is interested in making a verbal comment at the open meeting, that individual must submit a request, with a brief statement of the subject matter to be addressed by the comment, at least three (3) business days in advance to the ACANC's Alternate DFO, via electronic mail, the preferred mode of submission, at the addresses listed in the **FOR FURTHER INFORMATION CONTACT** section. The ACANC's DFO will log each request, in the order received, and in consultation with the appropriate Chair determine whether the subject matter of each comment is relevant to the missions and/or the topics to be addressed in these public meeting. Members of the public who have

requested to make a comment and whose comments have been deemed relevant under the process described above, will be invited to speak in the order in which their requests were received by the ACANC's DFO. The appropriate Chair may allot a specific amount of time for comments.

POLICY JUSTIFICATION

Taipei Economic and Cultural Representative Office in the United States—International Engineering Services Program (IESP) and Field Surveillance Program (FSP) Support

Taipei Economic and Cultural Representative Office in the United

States (TECRO) has requested to buy equipment and services to support participation in the Patriot International Engineering Services Program (IESP) and Field Surveillance Program (FSP) for five years, including engineering services support, designed to sustain, maintain, and improve the Patriot Air Defense System within the performance envelope described in the system specification through the investigation and resolution of identified problems; missile field surveillance support for legacy (Guidance Enhanced Missile (GEM)) and Patriot Advanced Capability-3 (PAC-3) missiles, designed to ensure the reliability and performance of the Patriot missile through storage and aging programs, surveillance firing programs, and configuration management; legacy and PAC-3 missile stockpile reliability testing, to provide quantitative reliability assessments of the deployed missile round; U.S. Government and contractor technical and logistics support, and other related elements of program support. Participation in the shared IESP and FSP for the life of the Patriot system is a requirement of the U.S. Government. The total estimated program cost is \$100.0 million.

This proposed sale is consistent with U.S. law and policy as expressed in Public Law 96-8.

This proposed sale serves U.S. national, economic, and security interests by supporting the recipient's continuing efforts to modernize its armed forces and to maintain a credible defensive capability. The proposed sale will help improve the security of the recipient and assist in maintaining political stability, military balance, economic and progress in the region.

The proposed sale will help to sustain the recipient's missile density and ensure readiness for air operations. The recipient will use this capability as a deterrent to regional threats and to strengthen homeland defense. The recipient will have no difficulty absorbing this equipment and services into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The prime contractors will be Raytheon Technologies in Andover, MA; and Lockheed Martin in Camden, AK. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the permanent assignment of any additional U.S. Government or contractor representatives to recipient. Support teams will travel to recipient on a temporary basis.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
