**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain non-refillable steel cylinders (steel cylinders) from India for the period of investigation (POI) April 1, 2022, through March 31, 2023. Interested parties are invited to comment on this preliminary determination.

**DATES:** Applicable September 29, 2023.

#### SUPPLEMENTARY INFORMATION:

##### Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this countervailing duty (CVD) investigation on May 24,

2023.<sup>1</sup> On June 30, 2023, Commerce postponed the preliminary determination of this investigation until September 25, 2023.<sup>2</sup>

#### Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act.
