NATIONAL SCIENCE FOUNDATION

Notice of Permit Applications Received Under the Antarctic Conservation Act of 1978

AGENCY: National Science Foundation.

ACTION: Notice of permit applications received.

SUMMARY: The National Science Foundation (NSF) is required to publish a notice of permit applications received to conduct activities regulated under the Antarctic Conservation Act of 1978. NSF has published regulations under the Antarctic Conservation Act in the Code of Federal Regulations. This is the required notice of permit applications received.

DATES: Interested parties are invited to submit written data, comments, or views with respect to this permit application by November 1, 2023. This application may be inspected by interested parties at the Permit Office, address below.

ADDRESSES: Comments should be addressed to Permit Office, Office of Polar Programs, National Science Foundation, 2415 Eisenhower Avenue, Alexandria, Virginia 22314 or ACApermits@nsf.gov.

FOR FURTHER INFORMATION CONTACT: Andrew Titmus, ACA Permit Officer, at the above address, 703–292–4479.

SUPPLEMENTARY INFORMATION: The National Science Foundation, as directed by the Antarctic Conservation Act of 1978 (Pub. L. 95–541, 45 CFR 671, as amended by the Antarctic

Science, Tourism and Conservation Act of 1996, has developed regulations for the establishment of a permit system for various activities in Antarctica and designation of certain animals and certain geographic areas as requiring special protection. The regulations establish such a permit system to designate Antarctic Specially Protected Areas.

Application Details

1. Applicant

Permit Application: 2024–011.
Alia Khan, 516 High St. M.S. 9181
Bellingham, WA 98225.

Activity for Which Permit Is Requested

Harmful Interference. The applicant proposes to collect snow samples across the West Antarctic Peninsula region for scientific purposes. Collecting samples adjacent to high density penguin areas is critical to the study. There is the potential for slight disturbance of penguin species during sampling and installation of time lapse cameras. This permit would address the potential for harmful interference of the following species: Adelie penguin (*Pygoscelis adeliae*), chinstrap penguin (*P. antarctica*), and the gentoo penguin, (*P. papua*). The applicant would not directly enter penguin colonies, or approach penguins within 5 meters.

Location

Antarctica Peninsula Region, Palmer Station area; Booth Island, and Petermann Island.

Dates of Permitted Activities

November 24, 2023–March 31, 2028.

Kimiko S. Bowens-Knox,

Program Analyst, Office of Polar Programs.

B. Submitting Comments

The NRC encourages electronic comment submission through the Federal rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC-2023-0104, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* NRC Form 64, Travel Voucher.

2. *OMB approval number:* 3150-0192.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* NRC Form 64.

5. *How often the collection is required or requested:* On occasion, to apply for reimbursement for travel.

6. *Who will be required or asked to respond:* Agreement State personnel, State Liaison officers and other representatives traveling in the course of conducting business with and for the NRC. Travelers conduct reviews, inspections, attend conferences, and NRC-sponsored training.

7. *The estimated number of annual responses:* 700.

8. *The estimated number of annual respondents:* 700.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 700.

10. *Abstract:* Agreement State personnel traveling to participate in NRC-sponsored training, participate with the NRC Integrated Materials Performance Evaluation Program, and other business with the NRC, must file travel vouchers on NRC Form 64 and 64A in order to be reimbursed for their travel expenses. The information collected includes the name, address, the amount to be reimbursed, and the traveler's signature. Travel expenses that are reimbursed are confined to those expenses essential to the transaction of official business for an approved trip.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.

2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: September 26, 2023.

For the Nuclear Regulatory Commission.

David C. Cullison,

NRC Clearance Officer, Office of the Chief Information Officer.
