Notice of Approval Status; EPA Plan for the Federal Certification of Applicators Within Indian Country

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

The 2023 EPA Plan supersedes the 2014 EPA Plan and ensures applicators in Indian country have the competence needed to use RUPs. The amended plan is consistent with the existing regulatory requirements, including revisions made in 2017 to enhance and improve the competency of certified applicators of RUPs and persons working under their
