Final Results of Review

Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case and rebuttal briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act, unless extended.

Assessment Rates

Upon issuing the final results of this review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴ If the weighted-average dumping margin for Adisseo España is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates for the merchandise based on the ratio of the total amount of dumping calculated for the examined sales made during the POR to each importer and the total entered value of those same sales, in accordance with 19 CFR 351.212(b)(1). Where either the respondent's weighted-average dumping margin or an importer-specific rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹⁵

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Adisseo España for which the producer did not know its merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate, i.e., 37.53 percent determined in the less-than-fair-value (LTFV) investigation,¹⁶ if there is no rate for the intermediate company (or companies) involved in the transaction.¹⁷

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Adisseo España will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or in the LTFV investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 37.53 percent, established in the LTFV investigation of this proceeding.¹⁸

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(4).

Wooden Bedroom Furniture From the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review; and Rescission, in Part; 2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the U.S. Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on wooden bedroom furniture (WBF) from the People’s Republic of China (China) covering the period of review (POR) January 1, 2022, through December 31, 2022. Commerce has preliminarily determined that the sole mandatory respondent under review, VidaXL Ningbo Industry Co., Ltd. (aka vidaXL Ningbo Industry Co., Ltd.) (VidaXL), is not eligible for a separate rate and is part of the China-wide entity. Commerce is also rescinding this review with respect to all companies under review, except VidaXL, because all requests to review these companies have been timely withdrawn. We invite interested parties to comment on these preliminary results of review.

DATES: Applicable October 6, 2023.

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an

administrative review of the antidumping duty order on WBF from China.¹ After receiving review requests,² Commerce initiated this review.³ With the exception of VidaXL, which requested a review of itself, all other parties timely withdrew their review requests in their entirety.⁴ On July 25, 2023, we issued the initial questionnaire to VidaXL.⁵ On August 25, 2023, VidaXL explained that it “has determined it cannot adequately provide {Commerce} with the information it has requested under the deadlines imposed by {Commerce}.”⁶

Scope of the Order⁷

The product covered by the *Order* is WBF, subject to certain exceptions. Imports of subject merchandise are classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 9403.50.9041, 9403.50.9042, 9403.50.9045, 9403.50.9080, 9403.91.0005, 9403.91.0010, 9403.91.0080, 7009.92.1090 or 7009.92.5095. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the *Order* is dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Separate Rate

In the *Initiation Notice*, we informed parties that all firms for which a non-market economy review was initiated that wished to qualify for separate rate status must complete, as appropriate, either a separate rate application or a separate rate certification.⁸ We also informed parties that firms that submitted a separate rate application or a separate rate certification that are subsequently selected as mandatory respondents, would not be eligible for separate rate status unless they responded to all parts of the initial questionnaire that Commerce issued to them as mandatory respondents.⁹ After VidaXL submitted a separate rate application, Commerce selected VidaXL as the sole mandatory respondent in this review. As noted above, VidaXL failed to respond to Commerce’s initial questionnaire. Consistent with Commerce’s practice in such situations, as described in the *Initiation Notice*, and because VidaXL ceased responding to Commerce’s requests for information, Commerce has preliminarily determined that VidaXL did not establish its eligibility for separate rate status, and is part of the China-wide entity.

Commerce’s policy regarding conditional review of the China-wide entity applies to this administrative review.¹⁰ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, and Commerce has not self-initiated a review of the entity, the entity is not under review and the weighted-average dumping margin assigned to the China-wide entity is not subject to change as a result of this administrative review.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested a review, withdraws its request within 90 days of the date of publication of the notice of
