On November 15, 2021, the Minority Business Development Act of 2021 (Pub. L. 117-58), made permanent the Minority Business Development Agency (MBDA) and expanded MBDA's roles and authorities. Among other things, the Act mandated the creation of the Minority Business Enterprises Advisory Council (MBEAC or "the Council").

The objective of the MBEAC is to provide group advice to the Under Secretary of Commerce for Minority Business Development on matters pertaining to the growth and global competitiveness of the nation's 9.7 million minority business enterprises (MBEs), such as identifying barriers to entrepreneurship and business growth; providing insight related to the economic conditions of socially or economically disadvantaged businesses; proposing opportunities for collaboration on and coordination of policies relating to entrepreneurship

and business growth for socially and economically disadvantaged businesses; and advising on measures to better achieve MBDA's objectives. The MBEAC was established in accordance with the Federal Advisory Committee Act, as amended (FACA), 5 U.S.C. Chapter 10. See the MBEAC Charter, available at: <https://gsa-geo.my.salesforce.com/sfc/p/#t0000000Gyj0/a/t0000003Gceu/9JxK.9.iqBesjToAwbbYyuYpJviXxxZC3ELQmn5Mts4>. The MBDA is a dynamic organization that needs industry leaders' input with a wide range of experience and insight. Accordingly, the MBDA is soliciting applications from private sector representatives with a balanced and broad range of interests regarding the social and economic life of Minority Business Enterprises (MBEs) to serve as advisory committee members of the MBEAC. Individuals may self-nominate or be nominated by someone else.

The Council will consist of nine members from the private sector as well as at least ten members from federal agencies that support or otherwise have duties related to business formation, including duties relating to labor development, monetary policy, national security, energy, agriculture, transportation, and housing. The Council will meet 2-3 times per year and members shall serve for a term of 2 years. Members can be reappointed after the 2-year term expires.

MBDA is soliciting two types of private sector members. "Representative members" are appointed to offer insight and perspectives of clearly identified sectors and stakeholder groups. "Special Government Employee (SGE) members" are appointed for their individual expertise and experience. Special Government Employees are subject to conflict-of-interest laws and regulations, including (but not limited to) the obligation to annually file a New Entrant Confidential Financial Disclosure Report (OGE Form 450) and complete ethics training. Representative members are not subject to these requirements. Private sector members will be individually advised of the capacity in which they will serve through their appointment letters.

Please also note that members of the Council shall not be compensated for service on the Council but may be allowed travel expenses, including per diem in lieu of subsistence, in accordance with subchapter I of chapter 57 of title 5, United States Code.

Council Size and Terms:

The MBEAC will be comprised of at least 19 members (9 private sector members and at least 10 federal members). The newly appointed members will serve a two-year term and may be reappointed. If a member vacates the MBEAC before the end of the two-year term, a replacement member may be appointed to fill the unexpired term.

The membership of the Council should include expertise and viewpoints that reflect the breadth of the Council's responsibilities. MBDA is mindful that committees work best when there is a mix of viewpoints brought about through diverse experiences in different areas of the committee's responsibility by members of diverse races, genders, business and industry sectors, and cultural backgrounds. This notice will be widely distributed to encourage a diverse applicant pool.
