Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The purpose of the ISAC is to provide advice to the NISC, as authorized by Executive Orders 13112 and 13751, on a broad array of issues related to preventing the introduction of invasive species and providing for their control and minimizing the economic, ecological, and human health impacts that invasive species cause. NISC is co-chaired by the Secretary of the Interior, the Secretary of Agriculture, and the Secretary of Commerce. The duty of NISC is to provide national leadership regarding invasive species issues.

The purpose of an in-person meeting on Monday, November 13, 2023 through Wednesday, November 15, 2023 is to convene the full ISAC to finalize and formally approve deliverables developed by its subcommittees on three (3) topics requested by NISC: (1) the impacts of invasive species on underserved communities; (2) the intersection of climate change and invasive species; and, (3) an assessment of national priorities related to invasive species.

Meeting Agenda: The meeting agenda will consist of an opening session with remarks from NISC member agencies, updates on priority NISC and NISC member agency activities, discussion of outputs by the three subcommittees, and consideration of new issues for ISAC input and advice. Opportunities for public comment will be provided before the conclusion of each meeting day.

The final agenda and other reference documents for discussion during the meeting will be available for public viewing as they become available, but no later than 48 hours prior to the start of the meeting at <https://www.invasivespecies.gov>.

Meeting Registration: All meeting participants and interested members of the public must register at <https://forms.office.com/g/5TwFXSkEpf> to attend the meeting in-person or observe the general session virtually.
