

Management Plan (SMP) Workgroup meeting via webinar.

SUMMARY: The Council will hold a meeting of the SMP Workgroup via webinar on November 15, 2023. The workgroup will discuss recent research and evaluation tools of the Spawning Special Management Zones (SMZs). This meeting is the first meeting of the workgroup to develop recommendations on the management of the Spawning SMZs.

DATES: The meeting will be held on Wednesday, November 15, 2023, from 9 a.m. until 3 p.m.

ADDRESSES:

Meeting address: The webinar is open to members of the public. Information, including a link to webinar registration will be posted on the Council's website at: <https://safmc.net/events/nov-2023-system-management-plan-workgroup-meeting/> as it becomes available.

Council address: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N Charleston, SC 29405.

SUPPLEMENTARY INFORMATION: The SMP Workgroup is an advisory group for the Council that reviews actions items, evaluates managed areas, and reviews management of managed areas recommended by the Council. The workgroup will meet to discuss components of SMPs for the Spawning SMZs established by the Council. The workgroup is responsible for development of a report to the Council with recommendations. Components of the report include background information on managed areas; biological and habitat monitoring; socioeconomic factors; enforcement and compliance; research recommendations; and outreach.

Agenda items for this meeting include: an overview on why the Spawning SMZs were established, the SMP for the Spawning Special Management Zones, recent research conducted in the areas, and evaluations for trends and management of the areas. The workgroup will discuss the evaluation for the area and how best to develop recommendations. The workgroup will also hold elections at the meeting.
