#### Foundry Coke Products From the People's Republic of China: Continuation of the Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of the determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC) that revocation of the antidumping duty (AD) order on foundry coke products (foundry coke) from the People's Republic of China (China) would likely lead to the continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the AD order.

**DATES:** Applicable October 25, 2023.

**FOR FURTHER INFORMATION CONTACT:** Kabir Archuletta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2593.

#### SUPPLEMENTARY INFORMATION:

##### Background

On September 17, 2001, Commerce published in the **Federal Register** the AD order on foundry coke from China.<sup>1</sup> On April 3, 2023, the ITC instituted,<sup>2</sup> and Commerce initiated,<sup>3</sup> the fourth sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). As a result of its review, Commerce determined that revocation of the *Order* would likely lead to continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the *Order* be revoked.<sup>4</sup>

On October 25, 2023, the ITC published its determination, pursuant to sections 751(c) and 752(a) of the Act, that revocation of the *Order* would

### Scope of the Order

The product covered under the *Order* is coke larger than 100 mm (4 inches) in maximum diameter and at least 50 percent of which is retained on a 100 mm (4 inch) sieve, of a kind used in foundries. The foundry coke products subject to the *Order* were classifiable under subheading 2704.00.00.10 (as of January 1, 2000) and are currently classifiable under subheading 2704.00.00.11 (as of July 1, 2000) of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and Customs purposes, our written description of the scope of the *Order* is dispositive.

### Continuation of the Order

As a result of the determinations by Commerce and the ITC that revocation of the *Order* would likely lead to a continuation or a recurrence of dumping, and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), Commerce hereby orders the continuation of the *Order*. U.S. Customs and Border Protection will continue to collect AD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the *Order* is October 25, 2023.<sup>6</sup> Pursuant to section 751(c)(2) of the Act and 19 CFR 351.218(c)(2), Commerce intends to initiate the next five-year review of the *Order* not later than 30 days prior to the fifth anniversary of the date of the last determination by the ITC.
