Source: FDIC.

General Description of Collection: The Covered Financial Company (CFC) Asset Purchaser Eligibility implements the statutory requirement that assets held by the FDIC in the course of liquidating any covered financial company not be sold to persons who contributed in specified ways to the demise of a covered financial company. The FDIC implemented this requirement in its regulations at 12 CFR 380.13. Prospective purchasers are required to complete and submit a Purchaser Eligibility Certification (PEC) to the FDIC. The PEC is a self-certification by a prospective purchaser that it does not fall into any of the categories of individuals or entities that are prohibited by statute or regulation from purchasing assets of a CFC. The PEC will be required of any individual or entity that is a potential purchaser of assets from the FDIC, whether in its corporate capacity or as a conservator or receiver, for (1) a CFC; or (2) a Bridge Financial Company (BFC).

The FDIC is increasing the total burden associated with this collection from 5 hours to 165 hours. The estimate for the number of respondents has increased from 10 to 66. The responses per respondent is unchanged from the 2021 submission. The estimate for hours per response represents a 1.5-hour increase from the 2021 submission. This

increase is due to a change in calculation methodology.
