SUPPLEMENTARY INFORMATION:**Background**

On June 1, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the AD order on PC strand from Ukraine.¹ On June 30, 2023, Insteel Wire Products Company, Sumiden Wire Products Corporation, and Wire Mesh Corporation (collectively, the petitioners) submitted a timely request that Commerce conduct an administrative review.²

On August 3, 2023, Commerce published in the **Federal Register** a notice of initiation of administrative review with respect to imports of PC strand exported and/or produced by PJSC Stalkanat, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i).³ On August 7, 2023, PJSC Stalkanat filed a no shipments certification for the POR.⁴ On August 17, 2023, we placed on the record U.S. Customs and Border Protection (CBP) data for entries of PC strand from Ukraine during the POR, and invited interested parties to comment.⁵ On August 24, 2023, PJSC Stalkanat submitted comments on the CBP data. No interested party submitted rebuttal comments to Commerce.

On September 21, 2023, Commerce notified all interested parties of its intent to rescind the instant review, in whole, because there were no eligible reviewable, suspended entries of subject merchandise by PJSC Stalkanat during the POR and invited interested parties to comment.⁶ PJSC Stalkanat submitted comments in favor of rescission.⁷ No other interested party submitted comments to Commerce.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.⁹ Therefore, for an administrative review to be conducted, there must be at least one reviewable, suspended entry that Commerce can instruct CBP to liquidate at the AD assessment rate calculated for the review period.¹⁰ As noted above, there were no eligible reviewable entries of subject merchandise for PJSC Stalkanat during the POR. Accordingly, in the absence of suspended entries of subject merchandise eligible for review during the POR, we are hereby rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

Forged Steel Fittings From the People's Republic of China, Taiwan, and Italy: Final Results of the Expedited First Sunset Reviews of the Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these expedited sunset reviews, the U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) orders on forged steel fittings from the People's Republic of China (China), Taiwan, and Italy would be likely to lead to the continuation or recurrence of dumping at the levels indicated in the "Final Results of Sunset Reviews" section of this notice.

DATES: Applicable December 1, 2023.

On August 16, 2023, Commerce received notices of intent to participate in these reviews from Bonney Forge Corporation (Bonney Forge), Phoenix Forge Group d/b/a Capitol Manufacturing Company, LLC (Capitol Manufacturing Company), and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union (USW) (collectively, the domestic interested parties), within the deadline specified in 19 CFR 351.218(d)(1)(i).⁴ Bonney Forge and Capitol Manufacturing Company claimed interested party status under section 771(9)(C) of the Act as producers of the domestic like product in the United States. The USW is a certified labor union whose members include workers at the facilities in which the domestic like product is produced and is therefore an interested party within the meaning of section 771(9)(D) of the Act and 19 CFR 351.102(b)(17). On August 31, 2023, Commerce received adequate substantive responses from the domestic interested parties.⁵ We received no substantive responses from respondent interested parties.

On September 20, 2023, Commerce notified the U.S. International Trade Commission that it did not receive substantive responses from any respondent interested parties.⁶ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted expedited (120-day) sunset reviews of the *Orders*.
