SUPPLEMENTARY INFORMATION:

Title: Disadvantaged Business Enterprise Supportive Services (DBE/SS).

Background: The DBE/SS regulations (23 CFR 230.204(c)) require State DOT recipients to provide a detailed Statement of Work (SOW) outlining the proposed services and budget, approximated, based on the provided estimated funding allocation. State DOTs must submit a SOW that conforms to the purpose of the program, regulatory requirements, and federal cost principles to be eligible for funding. State DOTs send their proposed SOWs to the respective FHWA Division Office for review and approval, and the Division Offices sends the SOWs to HCR for concurrence and obtaining approvals necessary for allocating funds. While HCR has created guidance for State DOTs to follow in creating their SOWs, currently they are submitted in paper form and the contents and size of the submissions vary. Providing State DOTs with a SOW template available through the Civil Rights Connect System will streamline the SOW creation, submission, review, and approval process.

The DBE/SS regulations (23 CFR 230.204(h)) require State DOT recipients to provide reports to FHWA as a condition of receiving federal funding.
