Title: Report of Disaster Supplemental Nutrition Assistance Program Benefit Issuances and Report of Commodity Distribution for Disaster Relief.

Form Number: FNS-292A and FNS-292B.

OMB Number: 0584-0037.

Expiration Date: 5/31/2024.

Type of Request: Extension of a currently approved collection.

Abstract: This information collection pertains only to the recordkeeping burden associated with forms FNS-292A and FNS-292B. The reporting burden associated with these forms is approved under OMB No. 0584-0594 (Food Program Reporting System; expiration date: 9/30/2026). The Food and Nutrition Service (FNS) utilizes forms FNS-292A and FNS-292B to collect information not otherwise available on the extent of FNS-funded disaster relief operations. Following OMB approval of this extension, this information collection will be merged with OMB Control # 0584-0336 (expiration 11/30/2025) to streamline burden estimates related to disasters into one information collection.

Form FNS-292A, *Report of Commodity Distribution for Disaster Relief*, is used by State distributing agencies, including Indian Tribal Organizations administering the Food Distribution Program on Indian Reservations (FDPIR), to provide a summary report to FNS following termination of disaster commodity assistance and to request replacement of donated foods distributed during the disaster or situation of distress. Donated food distribution in disaster situations is authorized under section 32 of the Act of August 24, 1935 (7 U.S.C. 612c); Section 416 of the Agricultural Act of 1949 (7 U.S.C. 1431); Section 709 of the Food and Agriculture Act of 1965 (7 U.S.C. 1446a-1); Section 4(a) of the Agriculture and Consumer Protection Act of 1973 (7 U.S.C. 612c note); and by sections 412 and 413 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5179, 5180). Program implementing regulations are contained in part 250 of title 7 of the Code of Federal Regulations (CFR). In accordance with 7 CFR 250.69(f) and 7 CFR 250.70(f), State distributing agencies shall provide a summary report to FNS within 45 days following termination of the disaster assistance and maintain records of these reports and other information relating to disasters.

Form FNS-292B, *Report of Disaster Supplemental Nutrition Assistance Benefit Issuance*, is used by State agencies to report to FNS the number of households and persons certified for Disaster Supplemental Nutrition Assistance Program (D-SNAP) benefits as well as the value of benefits issued. D-SNAP is a separate program from the Supplemental Nutrition Assistance Program (SNAP) and is authorized by sections 402 and 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*) and the temporary emergency provisions contained in section 5 of the Food and Nutrition Act of 2008, and in 7 CFR part 280 of the SNAP regulations. State agencies may request FNS

approval to operate a D-SNAP to address the temporary food needs of certain households in affected areas following a disaster after certain criteria is met. If approved to operate D-SNAP by FNS, a State agency must submit its final FNS-292B to FNS within 45 days of terminating D-SNAP operations, and maintain records of this report.

The number of disasters that will result in a State requesting to operate a FNS disaster food relief activity in a given year is impossible to predict. However, 55 is the maximum number of State distributing agencies that have ever utilized disaster commodity assistance in a given year. Accordingly, FNS is estimating this burden by assuming that, at maximum, 55 State distributing agency will distribute donated foods during a disaster or situation of distress once per year. In the case of State SNAP agencies, FNS is estimating this burden assuming that each State SNAP agency will request and be approved to operate D-SNAP once per year.

Affected Public: State agencies that administer FNS disaster food relief activities.

Estimated Number of Respondents: 55 Food Distribution State agencies for Form FNS-292A; 53 State SNAP agencies for Form FNS-292B.

Estimated Number of Responses per Respondent: 1 recordkeeping response per State distributing agency; 1 recordkeeping responses per State SNAP agency. 1.964 responses per respondent.

Estimated Total Annual Responses: 108.

Estimated Time per Response: Recordkeeping burden for the State agencies is estimated to be 7.5 minutes (.125 hours) per form (FNS-292A and FNS-292B) per respondent.

Estimated Total Annual Burden on Respondents: Recordkeeping burden for the State agencies is estimated to be 7.5 minutes (.125 hours) per form (FNS-292A and FNS-292B) per respondent for a total of 14 hours (13.5 rounded up).
