

for compliance with the sponsor's Federal obligations.

C. Existing, New, and Modified Incentives

1. Existing carrier incentives for which contracts are signed prior to the issuance date of this policy and up to 60 days thereafter, under programs that were in effect on the issuance date of this policy and complied with the FAA's previous policy guidance, may continue as implemented until they expire. All such existing incentives will expire within two years of the first flight that is eligible for an incentive.

2. Incentives for which contracts are signed more than 60 days after the issuance date of this policy must conform to the guidance in this policy statement.

3. Any new incentive program or modification of an existing incentive program after publication must comply with the requirements of this policy (*i.e.*, without a 60-day grace period).

Federal Railroad Administration

[Docket Number FRA-2023-0087]

Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on October 10, 2023, Union Pacific Railroad (UP) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 225 (Railroad Accidents/Incidents: Reports Classification, and Investigations). FRA assigned the petition Docket Number FRA-2023-0087.

Specifically, UP requests relief from § 225.25(h), *Recordkeeping*, which requires that a railroad post "a listing of all injuries and occupational illnesses reported to FRA as having occurred at an establishment . . . in a conspicuous location at that establishment." In its petition, UP states that it "maintains a web portal that allows employees to access and review information from internet enabled electronic devices . . . [and] includes a link to UP's posting of all injuries and occupational illnesses reported to the FRA." In support of its

request, UP states that the digital posting allows employees to access the injury and occupational illness information quickly and easily from any location and at any time of day. Additionally, the reporting team can keep the listings up-to-date and accurate. UP also states that the listing will additionally be available on a television mounted to a wall at work locations where such screens are available, beginning with the Council Bluffs, Iowa, terminal as a pilot site. Moreover, UP notes that "employees may also request a copy of the logs from their respective supervisor at any time."

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted at www.regulations.gov. Follow the online instructions for submitting comments.

Communications received by February 5, 2024 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>.
