SUPPLEMENTARY INFORMATION:

Background

On January 3, 2018, Commerce published the CVD order on softwood lumber from Canada.¹ On July 5, 2019, Commerce published its *Final Results of Expedited Review* for the *Order*.² In the *Final Results of Expedited Review*, Commerce found that five companies subject to the review had *de minimis* subsidy rates, and therefore, were excluded from the *Order*.³ The five companies are D&G, Lemay, MLI, NAFF, and Roland Boulanger & Cie Ltée (Roland).⁴

The Committee Overseeing Action for Lumber International Trade Investigations or Negotiations appealed Commerce's *Final Results of Expedited Review*. On November 19, 2020, the CIT remanded the *Final Results of Expedited Review* to Commerce for reconsideration of the statutory basis upon which Commerce promulgated its CVD expedited review regulations at 19 CFR 351.214(k) to determine individual subsidy rates for companies not individually examined in an investigation.⁵

In its *Final Remand*, issued in February 2021, Commerce determined that section 103(a) of the Uruguay Round of Agreements Act, as well as the other legal authorities presented to the CIT, cannot be the basis for the promulgation of the CVD expedited review regulations under 19 CFR 351.214(k) and, thus, Commerce lacks the statutory authority to conduct CVD expedited reviews.⁶ The CIT sustained

Commerce's *Final Remand*.⁷ Consequently, Commerce reinstated the excluded companies in the *Order* prospectively, effective August 28, 2021, and imposed a 14.19 percent *ad valorem* cash deposit requirement based on the all-others rate from the investigation.⁸ The Canadian parties appealed the CIT's decision.⁹

On April 25, 2023, the U.S. Court of Appeals for the Federal Circuit (Federal Circuit) reversed the CIT's August 18, 2021 decision and held that Commerce has the statutory authority to adopt the CVD expedited review process, and remanded for further proceedings necessitated by its holding that such statutory authority exists.¹⁰

On October 6, 2023, D&G, Lemay, MLI, and NAFF filed a motion with the CIT requesting reinstatement of their exclusion from the *Order* during the pendency of this litigation.¹¹ On November 20, 2023, the CIT granted the motion, finding that there was an equitable basis for reversing the actions of its August 18, 2021 decision, and ordered the reinstatement of exclusion from the *Order*, effective August 28, 2021, for D&G, Lemay, MLI, and NAFF.¹² The CIT also ordered Commerce to instruct CBP to discontinue the suspension of liquidation and the collection of cash deposits of estimated countervailing duties on all shipments of softwood lumber produced and exported by D&G, Lemay, MLI, and NAFF, entered or withdrawn from warehouse, for consumption on or after August 28, 2021, and to instruct CBP to liquidate, without regard to countervailing duties, all suspended entries of shipments of softwood lumber produced and

exported by D&G, Lemay, MLI, and NAFF.¹³

Reinstatement of Exclusion From the Order

Because of the CIT's order, Commerce is reinstating the exclusion from the *Order* of D&G, Lemay, MLI, and NAFF, effective August 28, 2021. Commerce's practice with respect to the exclusion of companies from a CVD order is to exclude the subject merchandise both produced and exported by those companies.¹⁴ As a result, we will instruct CBP to discontinue the suspension of liquidation and the collection of cash deposits of estimated countervailing duties on all shipments of softwood lumber produced and exported by D&G, Lemay, MLI, and NAFF, entered, or withdrawn from warehouse, for consumption on or after August 28, 2021. In addition, we will instruct CBP to liquidate, without regard to countervailing duties, all suspended entries of shipments of softwood lumber produced and exported by D&G, Lemay, MLI, and NAFF, and to refund all cash deposits of estimated countervailing duties collected on all such shipments. Subject merchandise that D&G, Lemay, MLI, and NAFF export but do not produce, as well as merchandise D&G, Lemay, MLI, and NAFF produce but is exported by another company remain subject to the *Order*.

On September 1, 2023, we extended the deadline for the final results until December 1, 2023.² For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.³ Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Analysis of Comments Received

All issues raised in the case and rebuttal briefs filed by parties in this administrative review are addressed in the Issues and Decision Memorandum and are listed in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding the *Preliminary Results*, and for the reasons explained in the Issues and Decision Memorandum, Commerce made certain changes to the preliminary weighted-average dumping margin calculation for NVR for the final results of review.⁵

Final Results of Administrative Review

As a result of this review, we determine that the following weighted-average dumping margin exists for the period May 1, 2021, through April 30, 2022:

Producer/exporter	Weighted-average dumping margin (percent)
NLMK Verona S.p.A	18.65

Disclosure

Commerce intends to disclose the calculations performed in connection with these final results of review to interested parties within five days after public announcement of the final results or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rate

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject

⁵ See Issues and Decision Memorandum; and Memorandum, “Cost Calculations for NLMK Verona SpA (NVR) for the Final Results,” dated concurrently with this notice.

merchandise in accordance with the final results of this review.

Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for each importer’s examined sales and the total entered value of those sales. Where either the respondent’s weighted-average dumping margin is zero or *de minimis*, within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. For entries of subject merchandise during the POR produced by NVR for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate established in the less-than-fair-value (LTFV) of 6.08 percent *ad valorem*,⁶ if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Upon publication of this notice in the **Federal Register**, the following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company subject to this review will be equal to the weighted-average dumping margin established in the final results of this review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the producer has been covered in a prior completed segment of this proceeding, then the cash deposit rate will be the rate

⁶ See *Order*.

established in the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 6.08 percent, the all-others rate established in the LTFV investigation for this proceeding.⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

Dated: November 30, 2023.

Preliminary Decision Memorandum.⁴ A list of topics included in the Preliminary Decision Memorandum is provided as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by the *Order* is aluminum foil from Turkey. For a complete description of the scope of the *Order*, *see the Preliminary Decision Memorandum*.

Methodology

Commerce is conducting this administrative review in accordance with section 701 of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵

Companies Not Selected for Individual Examination

The Act and Commerce's regulations do not directly address the subsidy rate to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation. Section 777A(e)(2) of the Act provides that "the individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) {of the Act}." Section 705(c)(5)(A) of the Act states that for companies not investigated, in general,
