Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Additional Protocol to the U.S.-International Atomic Energy Agency Safeguards

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on August 10, 2023, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: Bureau of Industry and Security, Department of Commerce.

Title: Additional Protocol to the U.S.-International Atomic Energy Agency Safeguards.

OMB Control Number: 0694-0135.

Form Number(s): AP-1 through AP-17, and AP-A through AP-Q.

Type of Request: Extension of a current information collection.

Number of Respondents: 549.

Average Hours per Response: 23 minutes to 6 hours.

Burden Hours: 920.

Needs and Uses: The Additional Protocol requires the United States to submit declaration forms to the International Atomic Energy Agency (IAEA) on a number of commercial nuclear and nuclear-related items, materials, and activities that may be used for peaceful nuclear purposes, but also would be necessary elements for a nuclear weapons program. These forms provides the IAEA with information about additional aspects of the U.S. commercial nuclear fuel cycle, including: mining and milling of nuclear materials; buildings on sites of facilities selected by the IAEA from the U.S. Eligible Facilities List; nuclear-related equipment manufacturing, assembly, or construction; import and export of nuclear and nuclear-related items and materials; and research and development. The Protocol also expands IAEA access to locations where these activities occur in order to verify the form data.

Affected Public: Business or other for-profit organizations.

Frequency: On occasion.

Respondent's Obligation: Mandatory.

Legal Authority: Additional Protocol Implementation Act (title II of Pub. L. 109-401), Executive Order (E.O.) 13458.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0694-0135.

SUPPLEMENTARY INFORMATION:

I. Abstract

Section 1761(h) under the Export Control Reform Act (ECRA) of 2018, authorizes the President and the Secretary of Commerce to issue regulations to implement the ECRA including those provisions authorizing the control of exports of U.S. goods and technology to all foreign destinations, as necessary for the purpose of national security, foreign policy and short supply, and the provision prohibiting U.S. persons from participating in certain foreign boycotts. Export control authority has been assigned directly to

the Secretary of Commerce by the ECRA and delegated by the President to the Secretary of Commerce. This authority is administered by the Bureau of Industry and Security through the Export Administration Regulations (EAR).

BIS administers a system of export, re-export, and in-country transfer controls in accordance with the EAR. In doing so, BIS requires that parties wishing to engage in certain transactions apply for licenses, submit Encryption Review Requests, or submit notifications to BIS. BIS also reviews, upon request, specifications of various items and determines their proper classification under the EAR.

Certain Corrosion-Resistant Steel Products From Taiwan: Final Results of the Antidumping Duty Administrative Review and Final Determination of No Shipments; 2021–2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that producers/exporters subject to this review made sales of subject merchandise at less than normal value (NV) during the period of review (POR) July 1, 2021, through June 30, 2022. We further determine that Xxentria Technology Materials Company Ltd. (Xxentria) had no shipments of subject merchandise during the POR.

DATES: Applicable December 8, 2023.

SUPPLEMENTARY INFORMATION:

Background

On August 2, 2023, Commerce published the *Preliminary Results* for this administrative review and invited interested parties to comment.¹ On

September 6, 2022, pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), Commerce initiated an administrative review of the *Order* covering 11 respondents.² However, pursuant to the final judgment of the U.S. Court of International Trade (the Court) in *Prosperity V*,³ concerning the litigation for the underlying less-than-fair-value (LTFV) investigation of the *Order*,⁴ Commerce issued an amended final antidumping duty determination of sales at LTFV which reflects a below *de minimis* margin for the collapsed YP/Synn entity which resulted in the exclusion of YP and Synn from the *Order* and all subsequent segments of the proceeding, including the instant administrative review.⁵ Accordingly, the *Preliminary Results* provided notification of the discontinuation of the instant administrative review with respect to a respondent selected for individual examination, YP, and a non-selected respondent, Synn.⁶ As a result, Prosperity remains the sole individually-examined respondent in this review.

We received a case brief from Cleveland-Cliffs Inc. and Steel Dynamics Inc. (collectively, the petitioners).⁷ A complete summary of the events that occurred since publication of the *Preliminary Results* is found in the Issues and Decision Memorandum.⁸ Commerce conducted
