

privacy information, such as social security numbers, home addresses, or personal phone numbers in their filings, unless an NRC regulation or other law requires submission of such information. For example, in some instances, individuals provide home addresses in order to demonstrate proximity to a facility or site. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants are requested not to include copyrighted materials in their submission.

If a person other than Magnus Quitmeyer requests a hearing, that person shall set forth with particularity the manner in which his or her interest is adversely affected by this Order and shall address the criteria set forth in 10 CFR 2.309(d) and (f).

If a hearing is requested by Magnus Quitmeyer or a person whose interest is adversely affected, the Commission will issue an Order designating the time and place of any hearings. If a hearing is held, the issue to be considered at such hearing shall be whether this Order should be sustained. In the absence of any request for hearing, or written approval of an extension of time in which to request a hearing, the provisions specified in Section IV above shall be final 30 days from the date this Order is published in the **Federal Register** without further order or proceedings. If an extension of time for requesting a hearing has been approved, the provisions specified in Section IV shall be final when the extension expires if a hearing request has not been received.

NUCLEAR REGULATORY COMMISSION

[Docket No. 030-30429; License No. 42-26928-01; EA-23-039; NRC-2023-0204]

Confirmatory Order; Issuance; In the Matter of ProTechnics Division of Core Laboratories LP

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) issued a Confirmatory Order to ProTechnics Division of Core Laboratories LP (ProTechnics) to document commitments made as part of a settlement agreement made between the NRC and ProTechnics following an alternative dispute resolution mediation session held on October 12, 2023. The mediation addressed six apparent violations involving ProTechnics' abandonment of well logging sources, compliance with disposal of effluents
