Supplemental Standards of Ethical Conduct for Employees of the Federal Mediation and Conciliation Service

AGENCY: Federal Mediation and Conciliation Service.

ACTION: Final rule.

SUMMARY: The Federal Mediation and Conciliation Service (FMCS), with the concurrence of the Office of Government Ethics (OGE), is issuing this final rule for FMCS employees. This rule supplements the Standards of Ethical Conduct for Employees of the

Executive Branch (OGE Standards) issued by OGE and is necessary because it addresses ethical issues unique to the FMCS. This rule sets forth prior approval requirements for certain outside employment and outside activities for all FMCS employees, other than special government employees.

DATES: This rule is effective January 8, 2024.

SUPPLEMENTARY INFORMATION:

Background

In July 2023, the FMCS issued a proposed rule to establish the Supplemental Standards of Ethical Conduct for Employees of the Federal Mediation and Conciliation Service (Supplemental Standards), which are to be codified in 5 CFR part 10300. 88 FR 45822 (July 18, 2023). The proposed rule provided a 30 day comment period, which ended on August 17, 2023. The FMCS did not receive any timely and responsive comments. The rationale for the proposed rule, which the FMCS is now adopting as final, is explained in the preamble at: <https://www.federalregister.gov/documents/2023/07/18/2023-15021/supplemental-standards-of-ethical-conduct-for-employees-of-the-federal-mediation-and-conciliation>. For those reasons, the FMCS is, with the concurrence of OGE, issuing the rule as final with no substantive changes.

I. Analysis of the Regulations

In accordance with 5 CFR 2635.803, the FMCS has determined it is necessary for the purpose of administering its ethics program to require its employees, other than special government employees, to obtain approval before engaging in certain outside employment and outside activities. The FMCS’s mission is to promote labor-management peace and cooperation. The FMCS has a large and broad range of clients external to the Government. Given the volume of public and private sector clients, there is a greater likelihood that conflicts of interest, impartiality, or other concerns may arise

that employees may not be aware of and therefore it is necessary for the FMCS to screen for such conflicts. The approval requirement will help to ensure that potential ethics conflicts of interest, impartiality, or other concerns are resolved before certain employees begin outside employment or outside activities. Requiring prior approval ensures the neutrality and integrity of the FMCS’ services.

Section 10300.101 General

Paragraph (a) explains that the regulation applies to all FMCS employees, other than special government employees, and supplements the OGE Standards.

Paragraph (b) notes that employees must comply with ethics guidance and procedures issued by the FMCS and should contact an FMCS ethics official if an ethics question arises. This paragraph also includes cross-references to other OGE ethics related regulations.

10300.102 Definitions

This section defines terms and phrases used throughout this supplemental regulation.

10300.103 Prior Approval for Outside Employment and Outside Activities

Paragraph (a) sets forth that an employee of the FMCS, other than a special government employee, is required to seek prior written approval before engaging in certain outside employment and outside activities.

Paragraph (b) sets out the standards and procedures for requesting approval to engage in certain outside employment and outside activities.

Paragraph (c) sets forth the requirement for submitting a revised request when there is a significant change in the nature, duties or scope of the outside employment or activity or to the employee’s official duties or responsibilities.

Paragraph (d) provides that the DAEO may issue agency wide-policies, handbooks, or other written guidance governing the submission of requests for approval of outside employment and activities, which may exempt categories of employment and activities from the prior approval requirement of this section based on a determination that employment or activities within those categories would generally be approved and is not likely to involve conduct
