

SUPPLEMENTARY INFORMATION:**Background**

On February 6 and 8, 2019, respectively, Commerce published the CVD and AD orders on imports of CAAS from China.¹ On May 23, 2023, the Aluminum Association Common Alloy Aluminum Sheet Trade Enforcement Working Group and its individual members (the domestic industry)² filed a circumvention inquiry request alleging that imports of CAAS produced in Korea by Gwangyang Aluminum, assembled or completed using flat rolled aluminum having a thickness greater than 6.3 mm (aluminum plate) produced by Henan Mingtai³ in China, is circumventing the *Orders*.⁴ On July 13, 2023, Commerce initiated a circumvention inquiry regarding the above-referenced merchandise.⁵ On November 2, 2023, the domestic industry withdrew its circumvention inquiry request.⁶

Scope of the Orders

The merchandise covered by the *Orders* is common alloy aluminum

¹ See *Common Alloy Aluminum Sheet from the People's Republic of China: Countervailing Duty Order*, 84 FR 2157 (February 6, 2019); and *Common Alloy Aluminum Sheet from the People's Republic of China: Antidumping Duty Order*, 84 FR 2813 (February 8, 2019) (collectively, *Orders*).

² The individual members of the Aluminum Association Common Alloy Aluminum Sheet Trade Enforcement Working Group are: Arconic Corporation; Commonwealth Rolled Products, Inc.; Constellium Rolled Products Ravenswood, LLC; Jupiter Aluminum Corporation; JW Aluminum Company; and Novelis Corporation.

³ Commerce previously determined that Henan Mingtai and Zhengzhou Mingtai are a single entity. See *Antidumping Duty Investigation of Common Alloy Aluminum Sheet from the People's Republic of China: Affirmative Preliminary Determination of Sales at Less-Than-Fair Value, Preliminary Affirmative Determination of Critical Circumstances, and Postponement of Final Determination*, 83 FR 29088 (June 2022, 2018), and accompanying Preliminary Decision Memorandum at 19, unchanged at *Antidumping Duty Investigation of Common Alloy Aluminum Sheet from the People's Republic of China: Affirmative Final Determination of Sales at Less-Than-Fair Value*, 83 FR 57421 (November 15, 2018). Accordingly, for the purposes of this circumvention inquiry, we considered aluminum plate produced by Henan Mingtai and Zhengzhou Mingtai (collectively, Mingtai) rather than aluminum plate produced by only Henan Mingtai.

⁴ See Domestic Industry's Letter, "Domestic Industry Request for Circumvention Ruling Pursuant to Section 781(b) of the Tariff Act of 1930, As Amended and Scope Ruling Pursuant to 19 CFR 351.225," dated May 23, 2023.

sheet from China. For a complete description of the scope of the *Orders*, see the Initiation Checklist.⁷

Merchandise Subject to the Circumvention Inquiry

The circumvention inquiry covers CAAS produced by Gwangyang Aluminum in Korea, assembled or completed using flat rolled aluminum having a thickness greater than 6.3 mm produced by Mingtai in China, and exported to the United States.

Rescission of Circumvention Inquiry

As noted above, the domestic industry has withdrawn its request for a circumvention inquiry on CAAS produced by Gwangyang Aluminum in Korea, assembled or completed using flat rolled aluminum having a thickness greater than 6.3 mm produced by Mingtai in China, and exported to the United States.⁸ Therefore, in accordance with 19 CFR 351.226(f)(6)(i), Commerce finds that it is appropriate to rescind this circumvention inquiry in its entirety.

Suspension of Liquidation

Pursuant to 19 CFR 351.226(l)(1), Commerce notified U.S. Customs and Border Protection (CBP) of the initiation of this circumvention inquiry and directed CBP to continue the suspension of liquidation of entries of products subject to the circumvention inquiry that were already subject to the suspension of liquidation under the *Orders* and to apply the cash deposit rate that would be applicable if the products were determined to be covered by the scope of the *Orders*.⁹ Upon publication of this rescission notice, Commerce will inform CBP that Commerce has rescinded this inquiry and that CBP should continue to suspend entries of common alloy aluminum sheet from China that are subject to the *Orders* at the applicable rate(s) in effect on the date of entry until specific liquidation instructions are issued.

This notice serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance

SUPPLEMENTARY INFORMATION:**Background**

On December 16, 2019, Commerce published in the **Federal Register** the countervailing duty order on kegs from

China.¹ On December 1, 2022, we published a notice of opportunity to request an administrative review of the *Order*.² On February 2, 2023, based on timely requests for an administrative review, Commerce published the notice of initiation of an administrative review of the *Order*.³ On April 7, 2023, Commerce selected Guangzhou Ulix Industrial & Trading Co., Ltd. (Ulix) and Ningbo Master International Trade Co., Ltd. (Ningbo Master) as the mandatory respondents in this administrative review.⁴ On August 14, 2023, Commerce extended the deadline for the preliminary results of this review until December 1, 2023.⁵

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶ A list of topics discussed in the Preliminary Decision Memorandum is attached as the Appendix I to this notice. Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each subsidy program found countervailable, Commerce preliminarily determines that there is a subsidy, (*i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific).⁸ For a full description of the methodology underlying our conclusions, including our reliance, in part, on facts otherwise available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received a timely-filed withdrawal request with respect to all 42 companies from American Keg Company (the petitioner).⁹ Of the 42 companies, Ningbo Master and Ulix also had other requests for review which were not withdrawn.¹⁰ Because the withdrawal request from the petitioner was timely filed, and no other parties requested a review of the other 40 companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to the 40 companies. For a complete list of the companies, see Appendix II to this notice.

Preliminary Results of Review

We preliminarily find the following net countervailable subsidy rates exist for the period January 1, 2021, through December 31, 2021:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Guangzhou Ulix Industrial & Trading Co., Ltd	2.48
Ningbo Master International Trade Co., Ltd ¹¹	2.41

⁸ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
⁹ See Petitioner's Letter, "Withdrawal of Request for Administrative Review," dated May 3, 2023.
¹⁰ See Ningbo Master's Letter, "Request for Administrative Review," dated December 23, 2022; see also DBT Holdings LLC, dba Deutsche Beverage's Letter, "Request for Administrative Review," dated December 28, 2022.

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends upon publication of the final results, to instruct U.S. Customs and Border Protection (CBP) to collect cash deposits of the estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Assessment Rates

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.221(b)(4)(i), we preliminarily determined subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

¹¹ Commerce finds the following companies to be cross-owned with Ningbo Master: Ningbo Major Draft Beer Equipment Co., Ltd.; and Zhejiang Major Technology Co., Ltd.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results to interested parties within five days after the date of publication of this notice.¹² Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of these preliminary results of review.¹³ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁴ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁵

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁶ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁷

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via

ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.

Unless extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Interested Parties

These preliminary results and notice are issued and published in accordance with sections 751(a) and 777(i)(1) of the Act, 19 CFR 351.213 and 19 CFR 351.221(b)(4).
