Background

FMCSA registers for-hire motor carriers under 49 U.S.C. 13902, surface freight forwarders under 49 U.S.C. 13903, and property brokers under 49 U.S.C. 13904. Each registration is effective from the date specified under 49 U.S.C. 13905(c). “Procedures for changing the name or business form of a motor carrier, freight forwarder, or property broker,” (49 CFR 365.413) states that motor carriers, forwarders, and brokers must submit the required information to FMCSA’s Office of Registration requesting the change. Paragraph (f) of 49 CFR 360.3 mentions fees that FMCSA collects for “petition for reinstatement of revoked operating authority,” but does not provide any specifics for the content that petition should take.

Motor carriers, freight forwarders, and property brokers are required to use Form MCSA-5889 to request a name or address change and to request reinstatement of a revoked operating authority. Respondents can submit the form online through the Licensing and Insurance (L&I) website, by fax, or by mail. According to data collected between 2020 and 2022, annually, approximately 1 percent of forms are submitted by mail; 7 percent are submitted by fax; and 92 percent are submitted online. The information collected is then entered in the L&I database by FMCSA staff.

Form MCSA-5889 enables FMCSA to maintain up-to-date records so that the Agency can recognize the entity in question in case of enforcement actions or other procedures required to ensure that the carrier is fit, willing, and able to provide for-hire transportation services, and so that entities whose operating authority has been revoked can resume operation if they are not otherwise blocked from doing so. This multi-purpose form, filed by registrants on a voluntary, as-needed basis, simplifies the process of gathering the information needed to process the entities’ requests in a timely manner, with the least amount of effort for all parties involved.

The form prompts users to report the following data points (whichever are relevant to their records change request):

1. Requestor's fax number, email address, and applicant's oath.
2. Entity's legal/doing business as names, USDOT number, docket MC/MX/FX number, current street address, and phone number(s).
3. Affiliations with FMCSA-licensed entities.
4. Requested changes to the entity's address.
5. Requested changes to the entity's name and/or ownership, management, or control.
6. Type(s) of operating authority the entity wishes to reinstate.
7. Credit card information (name, number, expiration date, address, date) if filing a name change or reinstatement.

The annual burden hour increase of 9,387 is due to the increase in average annual respondents.
