#### SUPPLEMENTARY INFORMATION:

##### I. Background

The decommissioning and disposition of the NSS is an Undertaking under Section 106 of the NHPA. Section 106 requires that federal agencies consider views of the public regarding their Undertakings; therefore, in 2020, MARAD established a Federal docket at <https://www.regulations.gov/docket/MARAD-2020-0133> to provide public notice about the NSS Undertaking. The federal docket was also used in 2021 to solicit public comments on the future uses of the NSS. MARAD is continuing to use this same docket to take in public comment, share information, and post agency actions.

The NHPA Programmatic Agreement (PA) for the Decommissioning and Disposition of the NSS is available on the MARAD docket located at [www.regulations.gov](http://www.regulations.gov) under docket id "MARAD-2020-0133." The PA stipulates a deliberative process by which MARAD will consider the disposition of the NSS. This process requires MARAD to make an affirmative, good-faith effort to preserve the NSS. The PA also establishes the PRG in Stipulation II. The PRG is the mechanism for continuing consultation during the effective period of the PA and its members consist of the signatories and concurring parties to the PA, as well as other consulting parties. The PRG members will provide individual input and guidance to MARAD regarding the implementation of stipulations in the PA. PRG members and members of the public are invited to provide input by attending bi-monthly meetings and reviewing and commenting on deliverables developed as part of the PA.

##### II. Agenda

The agenda will include (1) welcome and introductions; (2) program update; (3) status of PA stipulations; (4) other business; and (5) date of next meeting. The agenda topic titled PA stipulations involves deliverables identified in the PA. MARAD will provide status updates for the following items: the Disposition

Alternatives Study; the Notice of Availability/Request for Information; and the License Termination Plan. The agenda will also be posted on MARAD’s website at <https://www.maritime.dot.gov/outreach/history/maritime-administration-history-program> and on the MARAD docket located at [www.regulations.gov](http://www.regulations.gov) under docket id “MARAD–2020–0133.”
