

(3) To approve the powerline and associated access roads and issue a special use permit with terms and conditions; and

(4) If needed, to approve a forest plan amendment that may provide management direction for coal leasing on 3,077 acres within the ONF.

The FS decision on suitability, consent with surface leasing stipulations, the powerline and access roads special use permit, and a forest plan amendment (if needed) would be documented in a Record of Decision issued by the FS. Consent to the BLM would be issued through correspondence.

Substantive Provisions

The FS's Land Management Planning Rule at 36 CFR 219.13(b)(2) requires the responsible official to provide notice of which substantive requirements of 36 CFR 219.8 through 219.11 are likely to be directly related to the amendment. Whether a rule provision is directly related to an amendment is determined by the purpose for the amendment and the effects (beneficial or adverse) of the amendment, and is informed by the best available scientific information, scoping, effects analysis, monitoring data or other rationale (36 CFR 219.13(b)(5)). Based on those criteria, the Planning Rule provision likely to be directly related to the forest plan amendment (if needed) is: § 219.10(a)(2) (multiple use).

Additional Information

The EIS will identify, analyze, and consider mitigation to address the reasonably foreseeable impacts to surface resources from the LBA, the electrical powerline, and the associated access roads. In accordance with 40 CFR 1502.14(e), the agencies will evaluate appropriate mitigation measures not already included in the LBA. Mitigation may include avoidance, minimization, rectification, reduction or elimination over time, and compensation; and may be considered at multiple scales, including the landscape scale. The agencies will utilize and coordinate the National Environmental Policy Act (NEPA) and land use planning processes to help support compliance with applicable procedural requirements under the Endangered Species Act (16 U.S.C. 1536) and section 106 of the National Historic Preservation Act (54 U.S.C. 306108) as provided in 36 CFR 800.2(d)(3), including public involvement requirements of section 106. The information about historic and cultural resources and threatened and endangered species within the area potentially affected by the LBA and

proposed plan amendment will assist the agencies in identifying and evaluating impacts to such resources.

Indian Tribal Nations will be consulted on a government-to-government basis in accordance with Executive Order 13175, BLM MS 1780, and other Departmental policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration. Federal, state, and local agencies, along with Indian Tribal Nations and other stakeholders that may be interested in or affected by the proposed Federal coal LBA for the Heavener project, the amendment to the ONF Revised Forest Plan, and powerline-associated actions. They are invited to participate in the scoping process and, if eligible, may request or be requested by the agencies to participate in the development of the EIS as a cooperating agency.

Additional opportunities for government-to-government consultation will be provided during the NEPA process.

Dated: December 19, 2023.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that Jiangsu Senmao Bamboo and Wood Industry Co., Ltd. (Senmao) did not make sales of subject merchandise at less than normal value (NV), and that certain companies had no shipments of subject merchandise during the period of review (POR) December 1, 2021, through November 30, 2022. In addition, we are rescinding the review with respect to one company. We invite interested parties to comment on these preliminary results.

DATES: Applicable December 26, 2023.

Rebecca Trainor, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; phone: (202) 482-4007.

SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty order on multilayered wood flooring (MLWF) from the People's Republic of China (China).¹ The review covers 48 companies, including mandatory respondent, Senmao.

For events that occurred since the *Initiation Notice* and the analysis behind our preliminary results herein, see the Preliminary Decision Memorandum.² The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice.

Scope of the Order³

The product covered by the *Order* is MLWF from China. For a complete description of the scope of this administrative review, see the Preliminary Decision Memorandum.

Partial Rescission of Review

On May 1, 2023, Kahrs International Inc. (Kahrs) timely withdrew its request for review of the Fusong Jinlong Group

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 7060 (February 2, 2023) (*Initiation Notice*).

² See Memorandum, "Decision Memorandum for the Preliminary Results of Antidumping Duty Administrative Review: Multilayered Wood Flooring from the People's Republic of China; 2021–2022," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

³ See *Multilayered Wood Flooring from the People's Republic of China: Notice of Amended Final Affirmative Determination of Sales at Less than Fair Value and Antidumping Duty Order*, 76 FR 76690 (December 8, 2011), as amended in *Multilayered Wood Flooring from the People's Republic of China*, 77 FR 5484 (February 3, 2012) (collectively, *Order*).

(Jinlong).⁴ No other parties requested a review of this company.⁵ Accordingly, Commerce is rescinding the administrative review with respect to Jinlong.⁶

Preliminary Determination of No Shipments

Based on an analysis of information from U.S. Customs and Border Protection (CBP), no shipment certifications, and other record information, we preliminarily determine that 23 companies had no shipments of subject merchandise during the POR. For a listing of these companies, see Appendix II of this notice. Consistent with our practice in non-market economy (NME) cases, we are not rescinding this review with respect to these companies but, rather, intend to complete the review and issue appropriate instructions to CBP based on the final results of the review.⁷

Separate Rates

We preliminarily determine that, in addition to Senmao, two companies not individually-examined are eligible for separate rates in this administrative review, Dalian Deerfu Wooden Product Co., Ltd. (Deerfu) and Dalian Jaenmaken Wood Industry Co., Ltd. (Jaenmaken).⁸ The Tariff Act of 1930, as amended (the Act), and Commerce's regulations do not address the establishment of a separate rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for separate-rate respondents which Commerce did not examine individually in an administrative review. For the preliminary results of this review, Commerce has determined the estimated dumping margin for Senmao to be zero.⁹ For the reasons explained in

⁴ See Kahrs' Letter, "Notice of Withdrawal of Request for 2021–2022 Administrative Review," dated May 1, 2023.

⁵ Jinlong consists of the following companies: Fusong Jinlong Wooden Group Co., Ltd.; Fusong Qianqiu Wooden Product Co., Ltd.; Dalian Qianqiu Wooden Product Co., Ltd.; and Fusong Jinqiu Wooden Product Co., Ltd.

⁶ See 19 CFR 351.213(d)(1).

⁷ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65694–95 (October 24, 2011); see also the "Assessment Rates" section, below.

⁸ See Preliminary Decision Memorandum at the "Separate Rate Determinations" section for more details.

⁹ See Memorandum, "Preliminary Results Margin Calculation for Jiangsu Senmao Bamboo and Wood

the Preliminary Decision Memorandum, we are assigning this rate to Deerfu and Jaenmaken, *i.e.*, the non-examined respondents which qualify for a separate rate in this review.

The China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.¹⁰ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, the entity is not under review, and the entity's rate (*i.e.*, 85.13 percent) is not subject to change. See the Preliminary Decision Memorandum for further discussion.

Aside from the companies for which we preliminarily find no shipments and the company for which the review is being rescinded, Commerce considers all other companies for which a review was requested and did not demonstrate separate rate eligibility to be part of the China-wide entity.¹¹ For the preliminary results of this review, we consider 21 companies to be part of the China-wide entity. For a listing of these companies, see Appendix II of this notice.

Methodology

We are conducting this administrative review in accordance with sections 751(a)(1)(B) of the Act and 19 CFR 351.213. We calculated export prices for Senmao in accordance with section 772(a) of the Act. Because China is an NME country within the meaning of section 771(18) of the Act, we calculated NV in accordance with section 773(c) of the Act.

Preliminary Results of Review

We preliminarily determine that the following weighted-average dumping margins exist for the POR December 1, 2021, through November 30, 2022:

Industry Co., *Assessment Ltd.*," dated concurrently with this notice.

¹⁰ See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013).

¹¹ See *Initiation Notice* ("All firms listed below that wish to qualify for separate rate status in the administrative reviews involving NME countries must complete, as appropriate, either a separate rate application or certification, as described below."). Companies that are subject to this administrative review that are considered to be part of the China-wide entity are listed in Appendix II.

Exporters	Weighted-average dumping margin (percent)
Jiangsu Senmao Bamboo and Wood Industry Co., Ltd.	00.00
Dalian Deerfu Wooden Product Co., Ltd.	00.00
Dalian Jaenmaken Wood Industry Co., Ltd.	00.00

Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results to interested parties with an Administrative Protective Order within five days after the date of publication of these preliminary results.¹²

Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs no later than 30 days after the date of publication of this notice.¹³ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁴ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁵ As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this administrative review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁶ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements

pertaining to the service of documents in 19 CFR 351.303(f).¹⁷

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically-filed hearing request must be received successfully in its entirety by Commerce's electronic system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁸

Final Results

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review, in accordance with 19 CFR 351.212(b).

If Senmao's *ad valorem* weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent) in the final results of this review, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total quantity of those sales, in accordance with 19 CFR 351.212(b)(1).¹⁹ Commerce will also calculate (estimated) *ad valorem* importer-specific assessment rates with which to assess whether the per-unit assessment rate is *de minimis*. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate

calculated in the final results of this review is not zero or *de minimis*.

For Deerfu and Jaenmaken, *i.e.*, the respondents that were not selected for individual examination in this administrative review that qualified for a separate rate, the assessment rate will be the separate rate established in the final results of this administrative review. If, in the final results, the respondents' weighted-average dumping margins continue to be zero or *de minimis* (*i.e.*, less than 0.5 percent), Commerce will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.²⁰

For entries that were not reported in the U.S. sales databases submitted by Senmao during this review, and for the 21 companies that do not qualify for a separate rate, Commerce will instruct CBP to liquidate such entries at the China-wide rate (*i.e.*, 85.13 percent).²¹ In addition, if we continue to find no shipments of subject merchandise for the 23 companies for which we preliminarily find no such shipments during the POR,²² any suspended entries of subject merchandise associated with those companies will be liquidated at the China-wide rate.²³

For Jinlong, *i.e.*, the company for which the administrative review is rescinded, antidumping duties shall be assessed at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

We intend to issue appropriate assessment instructions with respect to Jinlong, *i.e.*, the company for which this administrative review is rescinded, to CBP 35 days after the publication of the preliminary results in the **Federal Register**. For all other companies that continue to be subject to review, we intend to issue appropriate assessment instructions to CBP 35 days after the publication of the final results in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

²⁰ See 19 CFR 351.106(c)(2).

²¹ See *Multilayered Wood Flooring from the People's Republic of China: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2016–2017*, 84 FR 38002 (August 5, 2019).

²² See Appendix II for a list of these companies.

²³ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65695 (October 24, 2011).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for the companies listed above that have a separate rate, the cash deposit rate will be the rate established in the final results of this review (except, if the rate is *de minimis*, then a cash deposit rate of zero will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters for which a review was not requested and that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (*i.e.*, 85.13 percent); and (4) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

¹⁷ See *APO and Service Final Rule*.

¹⁸ See 19 CFR 351.310(c).

¹⁹ In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

Dated: December 19, 2023.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
