

The information collection requirements associated with records of allegations of significant adverse reactions to human health or the environment under TSCA section 8(c) are contained in 40 CFR part 717 (OMB Control No. 2070-0224; EPA ICR No. 2703.01) approved by OMB on November 23, 2022. This action does not impose any burden requiring additional OMB approval. The annual paperwork burden per respondent is estimated to be 12.25 hours. This burden estimate includes the time needed to maintain records of allegations of significant adverse reactions, submit copies of these allegation records when required by EPA, and review of the **Federal Register** notice. For additional details, please see the Information Collection Request document that is available in the docket.
