

Disclosure

Commerce intends to disclose the calculations performed for Kaptan in connection with these final results to interested parties within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

Pursuant to 19 CFR 351.212(b)(1), because both Colakoglu Metalurji A.S./ Colakoglu Dis Ticaret A.S. (collectively, Colakoglu) and Kaptan reported the entered value for their U.S. sales, we calculated importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of those same sales. Where either a respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. For the companies identified in Appendix II that were not selected for individual examination, we will instruct CBP to liquidate entries at the rate established in these final results of review.

Commerce's "automatic assessment" practice will apply to entries of subject merchandise during the POR produced by Colakoglu or Kaptan for which the producer did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁸

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the

time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies under review will be equal to the weighted-average dumping margin that is established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 3.90 percent, the all-others rate established in the LTFV investigation.⁹ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or increase in the amount of antidumping duties by the amount of the countervailing duties.

Administrative Protective Order (APO)

This notice serves as the only reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information

disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 20, 2023.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Background

On December 8, 2011, Commerce issued a countervailing duty order on wood flooring from China.¹ The American Manufacturers of Multilayered Wood Flooring (the petitioner) and other interested parties requested that Commerce conduct an administrative review of the *Order*. On February 2, 2023, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the *Order*.² We initiated an administrative review with respect to 86 producers/exporters of wood flooring from China for the POR.

Scope of the Order

The product covered by the *Order* is wood flooring from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Final Rescission of Review, in Part

On September 27, 2023, Commerce notified interested parties that we intended to rescind this administrative review with respect to the companies listed in Appendix II, in the absence of suspended entries during the POR.⁴ No party commented on our Intent to Rescind Memorandum. As a result, we are rescinding this review, in part, with respect to the 70 companies listed in Appendix II, pursuant to 19 CFR 351.213(d)(3) and (4).

In addition, the following parties submitted no-shipment certifications: Anhui Longhua Bamboo Product Co., Ltd.; Benxi Flooring Factory (General Partnership); Dalian Jiahong Wood Industry Co., Ltd.; Dalian Shengyu Science and Technology Development Co., Ltd.; Dongtai Fuan Universal Dynamics, LLC; Dunhua City Dexin Wood Industry Co., Ltd.; Dunhua Shengda Wood Industry Co., Ltd.; HaiLin LinJing Wooden Products Co., Ltd.; Jiangsu Keri Wood Co., Ltd.; Jiangsu Mingle Flooring Co., Ltd.; Jiangsu Simba Flooring Co., Ltd.; Jiashan On-Line Lumber Co., Ltd.; Kingman Wood Industry Co., Ltd.; Pinge Timber Manufacturing (Zhejiang) Co., Ltd. (Pinge Timber); Power Dekor Group Co. Ltd.; Sino-Maple (Jiangsu) Co., Ltd.; Suzhou Dongda Wood Co., Ltd.; Tongxiang Jisheng Import and Export Co., Ltd.; Zhejiang Dadongwu Green Home Wood Co., Ltd.; and Zhejiang Shiyou Timber Co., Ltd. All of these companies were included in the Intent to Rescind Memorandum with the exception of Pinge Timber.⁵ Therefore, as explained above, we are rescinding the review with regard to all these companies, except for Pinge Timber. Our analysis of the U.S. Customs and Border (CBP) information placed on the record shows that Pinge Timber made shipments of subject merchandise during the POR.⁶ Therefore, we are preliminarily treating Pinge Timber as a

non-selected company under review. For further discussion on the decision not to rescind the review with respect to Pinge Timber's entry, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Preliminary Rate for Non-Selected Companies Under Review

As discussed above, Commerce initiated this administrative review with respect to 86 producers/exporters. We are rescinding the review for 70 companies listed in Appendix II that had no suspended entries during the POR. As discussed above, this group includes 19 companies that certified no shipments during the POR. In addition, Commerce selected two mandatory respondents, Jiangsu Senmao Bamboo and Wood Industry Co., Ltd. (Jiangsu Senmao) and Riverside Plywood Corp. (Riverside Plywood) for individual examination.⁸ For the remaining 12 companies subject to this review, but not selected for individual examination, because the rates calculated for mandatory respondents Jiangsu Senmao and Riverside Plywood were above *de minimis* and not based entirely on facts available, we applied a subsidy rate based on a weighted-average of the subsidy rates calculated for these mandatory respondents using the publicly ranged sales data they submitted on the record. This methodology is consistent with our practice for establishing an all-others subsidy rate pursuant to section 705(c)(5)(A) of the Act. For further information on the calculation of the non-selected respondent rate, see the

⁷ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁸ Riverside Plywood's cross-owned affiliates (*i.e.*, Baroque Timber Industries (Zhongshan) Co., Ltd.; Suzhou Times Flooring Co., Ltd.; and Zhongshan Lianjia Flooring Co., Ltd. Both Baroque Timber Industries (Zhongshan) Co., Ltd. and Suzhou Times Flooring Co., Ltd.) were listed separately in the *Initiation Notice*.

section in the Preliminary Decision Memorandum entitled “Non-Selected Companies Under Review.” For a list of the non-selected companies, see Appendix III to this notice.

Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for each of the mandatory respondents, Jiangsu Senmao and Riverside Plywood, and their cross-owned affiliates, where applicable. We preliminarily find the following countervailable subsidy rates to exist:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Jiangsu Senmao Bamboo and Wood Industry Co., Ltd	5.12
Riverside Plywood Corp. and its Cross-Owned Affiliates ⁹ Non-Selected Companies Under Review ¹⁰	23.65 17.18

Final Results

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we are preliminarily assigning subsidy rates in the amounts shown above for the producer/exporters subject to review. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated

countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the preliminary results of this review in the **Federal Register**.

For the companies for which this review is not rescinded, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respective companies listed above and in Appendix III on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Fisheries of the Exclusive Economic Zone Off Alaska; North Pacific Halibut and Sablefish Individual Fishing Quota Cost Recovery Program

AGENCY: National Marine Fisheries Service (NMFS); National Oceanic and Atmospheric Administration (NOAA), Commerce.

¹⁷ Commerce previously found Great Wood (Tonghua) Ltd. and Fine Furniture Plantation (Shishou) Ltd. to be cross-owned with Fine Furniture (Shanghai) Limited. See *Multilayered Wood Flooring from the People's Republic of China: Final Affirmative Countervailing Duty Determination*, 76 FR 64313 (October 18, 2011).

ACTION: Notice of standard prices and fee percentage.

SUMMARY: NMFS publishes the individual fishing quota (IFQ) standard prices and fee percentage for cost recovery for the IFQ Program for the halibut and sablefish fisheries of the North Pacific (IFQ Program). The fee percentage for 2023 is 3.0 percent. This action is intended to provide holders of halibut and sablefish IFQ permits with the 2023 standard prices and fee percentage to calculate the required payment for IFQ cost recovery fees due by January 31, 2024.

DATES: The standard prices and fee percentages are valid on December 28, 2023.

FOR FURTHER INFORMATION CONTACT: Charmaine Weeks, Fee Coordinator, 907-586-7231.

SUPPLEMENTARY INFORMATION:

Background

NMFS Alaska Region administers the IFQ Program in the North Pacific. The IFQ Program is a limited access system authorized by the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) and the Northern Pacific Halibut Act of 1982 (Halibut Act). Fishing under the IFQ Program began in March 1995.

Regulations implementing the IFQ Program are set forth at 50 CFR part 679.

In 1996, the Magnuson-Stevens Act was amended to, among other purposes, require the Secretary of Commerce to collect a fee to recover the actual costs directly related to the management and enforcement of any individual quota program. This requirement was further amended in 2006 to include collection of the actual costs of data collection and to replace the reference to "individual quota program" with a more general reference to "limited access privilege program" at section 304(d)(2)(A) of the Magnuson-Stevens Act. Section 304(d)(2) of the Magnuson-Stevens Act also specifies an upper limit on these fees, when the fees must be collected, and where the fees must be deposited.

On March 20, 2000, NMFS published regulations at § 679.45 to implement cost recovery for the IFQ Program (65 FR 14919, March 20, 2000). Under the regulations, an IFQ permit holder must pay a cost recovery fee for every pound of IFQ halibut and sablefish that is landed on their IFQ permit(s), including any halibut that is landed as guided angler fish. The IFQ permit holder is responsible for self-collecting the fee for all IFQ halibut and sablefish landings on their permit(s). The IFQ permit holder is also responsible for submitting
