

compliance by Dual Members with the rules of PHLX that are substantially similar to the applicable rules of FINRA,¹⁰ as well as any provisions of the federal securities laws and the rules and regulations thereunder delineated in the Certification (“Common Rules”). In the event that a Dual Member is the subject of an investigation relating to a transaction on PHLX, the plan acknowledges that PHLX may, in its discretion, exercise concurrent jurisdiction and responsibility for such matter.¹¹

Under the Plan, PHLX would retain full responsibility for surveillance, examination, investigation and enforcement with respect to trading activities or practices involving PHLX’s own marketplace, including, without limitation, registration pursuant to its applicable rules of associated persons (*i.e.*, registration rules that are not Common Rules); its duties as a DEA pursuant to Rule 17d–1 under the Act; and any PHLX rules that are not Common Rules.¹²

III. Discussion

The Commission finds that the proposed Plan is consistent with the factors set forth in Section 17(d) of the Act¹³ and Rule 17d–2(c) thereunder¹⁴ in that the proposed Plan is necessary or appropriate in the public interest and for the protection of investors, fosters cooperation and coordination among SROs, and removes impediments to and fosters the development of the national market system. In particular, the Commission believes that the proposed Plan should reduce unnecessary regulatory duplication by allocating to FINRA certain examination and enforcement responsibilities for common members that would otherwise be performed by PHLX and FINRA. Accordingly, the proposed Plan promotes efficiency by reducing costs to common members. Furthermore, because PHLX and FINRA will coordinate their regulatory functions in accordance with the Plan, the Plan should promote investor protection.

The Commission notes that, under the Plan, PHLX and FINRA have allocated regulatory responsibility for those PHLX rules, set forth in the Certification, that

are substantially similar to the applicable FINRA rules in that examination for compliance with such provisions and rules would not require FINRA to develop one or more new examination standards, modules, procedures, or criteria in order to analyze the application of the rule, or a common member’s activity, conduct, or output in relation to such rule. In addition, under the Plan, FINRA would assume regulatory responsibility for certain provisions of the federal securities laws and the rules and regulations thereunder that are set forth in the Certification. The Common Rules covered by the Plan are specifically listed in the Certification, as may be amended by the Parties from time to time.

According to the Plan, PHLX will review the Certification, at least annually, or more frequently if required by changes in either the rules of PHLX or FINRA, and, if necessary, submit to FINRA an updated list of Common Rules to add PHLX rules not included on the then-current list of Common Rules that are substantially similar to FINRA rules; delete PHLX rules included in the then-current list of Common Rules that are no longer substantially similar to FINRA rules; and confirm that the remaining rules on the list of Common Rules continue to be PHLX rules that are substantially similar to FINRA rules.¹⁵ FINRA will then confirm in writing whether the rules listed in any updated list are Common Rules as defined in the Plan. The Commission believes that these provisions are designed to provide for continuing communication between the Parties to ensure the continued accuracy of the scope of the proposed allocation of regulatory responsibility.

The Commission is hereby declaring effective a Plan that, among other things, allocates regulatory responsibility to FINRA for the oversight and enforcement of all PHLX rules that are substantially similar to the rules of FINRA for common members of PHLX and FINRA. Therefore, modifications to the Certification need not be filed with the Commission as an amendment to the Plan, provided that the Parties are only adding to, deleting from, or confirming changes to PHLX rules in the Certification in conformance with the definition of Common Rules provided in the Plan. However, should the Parties decide to add a PHLX rule to the Certification that is not substantially similar to a FINRA rule; delete a PHLX rule from the Certification that is substantially similar

to a FINRA rule; or leave on the Certification a PHLX rule that is no longer substantially similar to a FINRA rule, then such a change would constitute an amendment to the Plan, which must be filed with the Commission pursuant to Rule 17d–2 under the Act.¹⁶

IV. Conclusion

This Order gives effect to the Plan filed with the Commission in File No. 4–818. The Parties shall notify all members affected by the Plan of their rights and obligations under the Plan.

It is therefore ordered, pursuant to Section 17(d) of the Act, that the Plan in File No. 4–818, between FINRA and PHLX, filed pursuant to Rule 17d–2 under the Act, is approved and declared effective.

It is further ordered that PHLX is relieved of those responsibilities allocated to FINRA under the Plan in File No. 4–818.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁷
