

the project includes development of a Workforce Housing and Transportation Plan as well as Cooperative Services Agreements, since the project would bring a large construction workforce of a few hundred people into the Yerington area. The Workforce Housing and Transportation Plan would identify the housing options and allow the Applicant to plan construction housing needs that could alleviate the project's contribution to housing impacts. Alternative transportation options, including carpooling, park-and-ride, bus, shuttle, and other forms, would also be assessed to reduce the project's contribution to traffic impacts. The Cooperative Services Agreements would require the Applicant to coordinate with Mineral and Lyon counties to determine increased demands for services such as fire protection, law enforcement, and emergency medical services, and shall include a fee based on the likely point of service and estimated increases in service needs.

While no federally or State-listed threatened or endangered species have the potential to occur on-site that could be impacted by the project, several mitigation measures have been added to reduce effects to special status species, wildlife, and vegetation communities. These measures include development of a Site Restoration Plan and Integrated Weed Management Plan, development of a Worker Environmental Awareness Program, pre-construction surveys and avoidance where feasible for special status plants, and development of a Bird and Bat Conservation Strategy. To address conflicts with grazing permit holders, mitigation includes measures to work with the permit holder to provide infrastructure upgrades to move livestock around the solar facility.

Anticipated Permits and Authorizations

If approved, the BLM would issue a ROW for the project. The term for the ROW would be for 30 years.

Schedule for Decision-Making Process

The final EIS is anticipated to be available in summer 2024 with a Record of Decision in summer or fall 2024.

Public Involvement Process

The BLM will hold one virtual public meeting and one in-person public meeting during the public comment period. The BLM will announce the exact dates, times, and link for these meetings at least 15 days prior to the events. Announcements will be made by news release to the media and posting on the BLM National NEPA Register website: <https://eplanning.blm.gov/eplanning-ui/project/2022592/570>.

The BLM will continue to consult with Indian Tribal Nations on a government-to-government basis in accordance with Executive Order 13175, BLM MS 1780 and other Departmental policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

(1) *Prehearing briefs* refers to written materials relevant to the investigation and submitted in advance of the hearing, and includes written views on matters that are the subject of the investigation, supporting materials, and any other written materials that you consider will help the Commission in understanding your views. You should file a prehearing brief particularly if you plan to testify at the hearing on behalf of an industry group, company, or other organization, and wish to provide detailed views or information that will support or supplement your testimony.

(2) *Oral hearing statements (testimony)* refers to the actual oral statement that you intend to present at the hearing. Do not include any confidential business information (CBI) in that statement. If you plan to testify, you must file a copy of your oral statement by the date specified in this notice. This statement will allow Commissioners to understand your position in advance of the hearing and will also assist the court reporter in preparing an accurate transcript of the hearing (e.g., names spelled correctly).

(3) *Posthearing briefs* refers to submissions filed after the hearing by persons who appeared at the hearing. Such briefs: (a) should be limited to matters that arose during the hearing; (b) should respond to any Commissioner and staff questions addressed to you at the hearing; (c) should clarify, amplify, or correct any statements you made at the hearing; and (d) may, at your option, address or rebut statements made by other participants in the hearing.

filed on behalf of, and (4) whether it contains CBI. If it contains CBI, it must comply with the marking and other requirements set out below in this notice relating to CBI. Submitters of written documents (other than oral hearing statements) are encouraged to include a short summary of their position or interest at the beginning of the document, and a table of contents when the document addresses multiple issues.

Confidential Business Information:

Any submissions that contain CBI must also conform to the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "nonconfidential" version, and that the CBI is clearly identified by means of brackets. All written submissions, except for CBI, will be made available for inspection by interested persons.

As requested by the Trade Representative, the Commission will not include any CBI in its report. However, all information, including CBI, submitted in this investigation may be disclosed to and used by: (i) the Commission, its employees and offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission, including under 5 U.S.C. appendix 3; or (ii) U.S. government employees and contract personnel for cybersecurity purposes. The Commission will not otherwise disclose any CBI in a way that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions:

Persons wishing to have a summary of their position included in the report should include a summary with their written submission on or before March 22, 2024, and should mark the summary as having been provided for that purpose. The summary should be clearly marked as "summary for inclusion in the report" at the top of the page. The summary may not exceed 500 words and should not include any CBI. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation.
