NATIONAL SCIENCE FOUNDATION

Privacy Act of 1974; System of Records

AGENCY: National Science Foundation.

ACTION: Notice of a new system of records.

SUMMARY: The National Science Foundation (NSF) is establishing a new system of records, “Student Loan Repayment Program Case Files, NSF-82,” in connection with the recruitment of highly qualified job candidates and retention of highly qualified employees by paying off their Federally insured student loans. The agency will use this system to maintain and retrieve applications from individuals seeking such student loan repayment benefits, service agreements signed by individuals receiving such benefits, lender information, loan balances and repayment history, and other related program information and documentation for such individuals. Information in this system of records will be collected through various sources, including directly from the individual to whom the information applies, and from NSF officials, official NSF documents, student loan lenders or other agencies or third parties.

DATES: This system of records notice is effective as of January 24, 2024. The routine uses described in this notice will take effect on February 26, 2024, unless modified by a subsequent notice to incorporate comments received from the public. Submit comments on or before February 23, 2024.

ADDRESSES: You may submit comments, identified as “SORN NSF-82 (Student Loan Repayment Program),” by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *Email:* Jennifer Carter, Human Resources Specialist, at jecarter@nsf.gov. Include “SORN NSF-82

(Student Loan Repayment Program)” in the subject line of the message.

- *Mail:* Jennifer Carter, Human Resources Specialist, Division of Human Resource Management, National Science Foundation, 2415 Eisenhower Ave., Alexandria, VA 22314.

Instructions: NSF will post all comments on the NSF’s website (<https://www.nsf.gov/>). All comments submitted in response to this Notice will become a matter of public record. Therefore, you should submit only information that you wish to make publicly available.

FOR FURTHER INFORMATION CONTACT:

Jennifer Carter, Human Resources Specialist, jecarter@nsf.gov, 703-292-8060, or Sandra Evans, NSF FOIA/PA Officer, sevans@nsf.gov, 703-292-8060.

SUPPLEMENTARY INFORMATION: The Student Loan Repayment Program authority (5 U.S.C. 5379) is one of several hiring flexibilities made available to agencies to attract and retain highly qualified individuals for Federal service by allowing agencies to repay their Federally insured student loans. Individuals approved for this benefit must agree to complete a specified period of service with the agency, or to reimburse the agency if they fail to complete that term of service or violate certain other conditions of their service agreement. See 5 CFR part 537 (Office of Personnel Management (OPM) student loan repayment regulations). This NSF system of records will be used to document requests (applications) from such individuals for such repayment benefits, service agreements signed by individuals approved to receive such benefits, benefit amounts, lender and loan history, and other loan repayment or loan benefit reimbursement information (including any request to waive the reimbursement obligation) specific to each individual. Information maintained in this system will be used to administer, document, and track the repayment of these loans (or reimbursement of the loan repayment benefit, where applicable), to make individual case files available to, and prepare annual reports for, OPM on NSF’s use of the student loan repayment program authority, and to seek and collect reimbursement from individuals who fail to fulfill their service obligation or violate other terms and conditions of their agreement.

SYSTEM NAME AND NUMBER:

Student Loan Repayment Program Case Files, NSF-82.
