The Act requires agencies to obtain approval from the Office of Management and Budget before using identical questions to collect information from ten or more persons. This rule does not impose reporting or recordkeeping requirements on the public.

Executive Order 13132, “Federalism”

Executive Order 13132 establishes certain requirements that an agency must meet when it promulgates a rule that has federalism implications, imposes substantial direct requirement costs on State and local governments, and is not required by statute, or has federalism implications and preempts State law. This rule will not have a substantial effect on State and local governments.

Executive Order 13175, “Consultation and Coordination With Indian Tribal Governments”

Executive Order 13175 establishes certain requirements that an agency must meet when it promulgates a proposed rule (and subsequent final rule) that imposes substantial direct compliance costs on one or more Indian tribes, preempts tribal law, or affects the distribution of power and responsibilities between the Federal government and Indian tribes. This rule will not have a substantial effect on Indian tribal governments.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2024–0081]

RIN 1625–AA00

Safety Zone; Atlantic Ocean, Virginia Beach, Virginia

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters within a 1,000-yard radius of the M/V HOS WARLAND, HOS INNOVATOR, and, or HOS MYSTIQUE. Operations are planned to relocate unexploded ordinance (UXO) in the Atlantic Ocean, within 12 miles of the shores of the State Military Reservation, in Virginia Beach, Virginia. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by these operations. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Sector Virginia or a designated representative.

DATES: This rule is effective and subject to enforcement without actual notice from January 26, 2024 through July 1, 2024. For the purposes of enforcement, actual notice will be used from February 1, 2024, until January 26, 2024.

§ Section
TFR Temporary Final Rule
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority in 5 U.S.C. 553(b). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) because Coast Guard Sector Virginia was first notified on January 9th, 2024, that operations using a Remotely Operated Vehicle (ROV) to shift UXOs would begin in early February, 2024. There is insufficient time to publish an NPRM, consider any comments submitted in response thereto, and publish the final safety zone by February 1, 2024, when the public will need to have notice of it.

In addition, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the operations utilizing ROVs to relocate UXO.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Virginia (COTP) has determined that potential hazards associated with the UXO operations starting on or about February 1, 2024, and continuing into July 2024, will be a safety concern for any persons or property within the operating area discussed below. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone from potential hazards that arise from disturbing UXOs and the use of tethered ROVs for relocation.

IV. Discussion of the Rule

This rule establishes a safety zone on February 1, 2024, through July 1, 2024. The safety zone encompasses all waters within a 1,000-yard radius from the M/V HOS WARLAND, HOS INNOVATOR, and, or HOS MYSTIQUE when

operating within the territorial seas offshore from Virginia State Military Reservation. The safety zone will only be enforced during active UXO relocation operations inside those boundaries. To communicate active disposition activities, project vessels will broadcast “Securitaē” calls prior to and periodically during the operations. A tethered ROV will be used in conjunction with two small craft and Dynamic Positioning Vessels (DPV) operating within the safety zone. The zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during disposition activities. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under section 3(f) of Executive Order 12866, as amended by Executive Order 14094 (Modernizing Regulatory Review). Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration, and operations requirements of the survey requiring the safety zone. Vessel traffic will be able to safely transit around this safety zone during the operations. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 when the zone is being enforced.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian

tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal Government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone that prohibits entry within a prescribed zone only during the active survey operations which will take place between February and July 2024. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protestors. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping, Security measures, and waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T05–0081 to read as follows:

§ 165.T05–0081 Safety Zone; Atlantic Ocean, Virginia Beach, VA.

(a) *Location.* The following area is a safety zone: All waters of the Atlantic Ocean, from surface to bottom, encompassed by a radius of 1,000 yards from the actual position of the M/V HOS WARLAND, HOS INNOVATOR, and, or HOS MYSTIQUE while relocation operations are being conducted within the boundaries of a perimeter defined by the following points: 36°49'4.8" N 75°57'43.2" W; 36°49'13.9" N 75°42'39.8" W; 36°47'11.7" N, 75°41'50.8" W and 36°48'28.8" N 75°57'43.2" W.

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Sector Virginia (COTP) in the enforcement of the safety zones. The term also includes the M/V HOS WARLAND, HOS INNOVATOR and HOS MYSTIQUE for the sole purpose of designating and establishing safe transit corridors, to permit passage into or through these safety zones, or to notify vessels and individuals that they have entered a safety zone and are required to depart immediately.

(c) Regulations.

(1) Under the general safety zone regulations in subpart C of this part, vessels may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, vessels should contact the M/V HOS WARLAND, HOS INNOVATOR, and, or HOS MYSTIQUE by VHF–FM Channel 16. Those in the safety zone must comply with all directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This zone will be in effect from February 1, 2024, through July 1, 2024 and enforced during such times as are announced via Broadcast Notice to Mariners between.

Dated: January 22, 2024.

J.A. Stockwell,

Captain, U.S. Coast Guard, Captain of the Port Sector Virginia.

RIN 1880–AA84

Availability of Information to the Public; Correction

AGENCY: Office of the Secretary, Department of Education.

ACTION: Final rule; correction.

SUMMARY: On June 14, 2010, the Department of Education (Department) published in the **Federal Register** a final rule amending the Department's Freedom of Information Act (FOIA) regulations. The 2010 final rule implemented amendments made to the FOIA statute and clarified how the Department processes FOIA requests for agency records. We are correcting the administrative exhaustion provisions related to the Appeals of Adverse Determinations section in the FOIA regulations. All other provisions in the FOIA regulations remain the same.

DATES: This correction is effective January 26, 2024.

FOR FURTHER INFORMATION CONTACT: Deborah O. Moore, Department of Education, 400 Maryland Avenue SW, Washington, DC 20202. Telephone: (202) 381–1414. Email: *Deborah.Moore@ed.gov*.

SUPPLEMENTARY INFORMATION: On June 14, 2010, the Department published a final rule amending the Department's FOIA regulations in 34 CFR part 5. Section 5.40(b) (Appeals of Adverse Determinations) erroneously states that a requester's, as opposed to the Department's, failure to comply with the applicable time limits constitutes exhaustion of the requester's administrative remedies for the purposes of initiating judicial action to compel disclosure. This current language is contrary to the Federal statute at 5 U.S.C. 552(a)(6)(C)(i) and case law. See *Citizens for Responsibility and Ethics in Washington v. Federal Election Com'n*, 711 F.3d 180, 184 (D.C. Cir. 2013). Additionally, similar

language (without the error) is contained in current § 5.40(c)(1) of the FOIA regulations. Therefore, we are correcting the provision to strike the erroneous language from § 5.40(b). Specifically, we are removing the last sentence of § 5.40(b), which reads: "The requester's failure to comply with time limits set forth in this section constitutes exhaustion of the requester's administrative remedies for the purposes of initiating judicial action to compel disclosure."

All other information in the 2010 final rule remains the same, except for the provisions that were amended on December 12, 2019 (84 FR 67865).

Waiver of Rulemaking

Under the Administrative Procedure Act (APA) (5 U.S.C. 553), the Department generally offers interested parties the opportunity to comment on proposed regulations. However, the APA provides that an agency is not required to conduct notice-and-comment rulemaking when the agency, for good cause, finds that notice and public comment are impracticable, unnecessary, or contrary to the public interest (5 U.S.C. 553(b)(B)).

Rulemaking is "unnecessary" in those situations in which "the administrative rule is a routine determination, insignificant in nature and impact, and inconsequential to the industry and to the public." *Utility Solid Waste Activities Group v. EPA*, 236 F.3d 749, 755 (D.C. Cir. 2001), quoting U.S. Department of Justice, *Attorney General's Manual on the Administrative Procedure Act* 31 (1947) and *South Carolina v. Block*, 558 F. Supp. 1004, 1016 (D.S.C. 1983).

There is good cause to waive rulemaking here, because rulemaking is unnecessary. The actions in this document merely correct an inadvertent inconsistency with the FOIA statute and a similar provision in 34 CFR 5.40(c)(1) and are not an exercise of the Department's discretion. Thus, the Secretary has determined that publication of a proposed rule is unnecessary under 5 U.S.C. 553(b)(B).

Accessible Format: On request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT**, individuals with disabilities can obtain this document in an accessible format. The Department will provide the requestor with an accessible format that may include Rich Text Format (RTF) or text format (txt), a thumb drive, an MP3 file, braille, large print, audiotape, or compact disc, or other accessible format.
