

propionate as a source of chromium in turkey feed and that the food additive regulations should be amended as set forth in this document.

### III. Public Disclosure

In accordance with § 571.1(h) (21 CFR 571.1(h)), the petition and documents we considered and relied upon in reaching our decision to approve the petition will be made available for public disclosure (see **FOR FURTHER INFORMATION CONTACT**). As provided in § 571.1(h), we will delete from the documents any materials that are not available for public disclosure.

### IV. Analysis of Environmental Impact

The Agency has carefully considered the potential environmental effects of this action. FDA has concluded that the action will not have a significant impact on the human environment and that an environmental impact statement is not required. The Agency's finding of no significant impact and the evidence supporting that finding, contained in an environmental assessment, may be seen in the Dockets Management Staff (see **ADDRESSES**) between 9 a.m. and 4 p.m., Monday through Friday.

### V. Objections and Hearing Requests

If you will be adversely affected by one or more provisions of this regulation, you may file with the Dockets Management Staff (see **ADDRESSES**) either electronic or written objections. You must separately number each objection, and within each numbered objection you must specify with particularity the provision(s) to which you object, and the grounds for your objection. Within each numbered objection, you must specifically state whether you are requesting a hearing on the particular provision that you specify in that numbered objection. If you do not request a hearing for any particular objection, you waive the right to a hearing on that objection. If you request a hearing, your objection must include a detailed description and analysis of the specific factual information you intend to present in support of the objection in the event that a hearing is held. If you do not include such a description and analysis for any particular objection, you waive the right to a hearing on the objection.

### Coast Guard

#### 33 CFR Part 165

[Docket Number USCG-2024-0020]

**RIN 1625-AA00**

### Safety Zone; North Pacific Ocean, Dutch Harbor, AK

**AGENCY:** Coast Guard, Department of Homeland Security (DHS).

**ACTION:** Amendment to temporary final rule; reduction in size of safety zone.

**SUMMARY:** The Coast Guard is amending the temporary safety zone for the M/V GENIUS STAR XI navigable waters from 1 nautical mile radius to a ½ nautical mile radius. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by a fire onboard the M/V GENIUS STAR XI. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Western Alaska (COTP).

**DATES:** This rule is effective without actual notice from January 30, 2024, through March 6, 2024. For the purposes of enforcement, actual notice will be used from January 19, 2024, until January 30, 2024.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2024-0020 in the search box and click "Search." Next, in the Document Type column, select "Supporting & Related Material."

#### SUPPLEMENTARY INFORMATION:

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule under authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because publishing an NPRM would be impracticable because of the urgent need to establish a safety zone as soon as possible to enhance public safety given the dangers associated with a vessel recently on fire.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with a recent fire onboard the M/V GENIUS STAR XI and the emergency operations taking place.

##### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port, Western Alaska, has determined that potential hazards associated with ongoing response activities for a recent vessel fire and the hazardous materials onboard the vessel will be a safety concern for anyone within a ½ nautical mile radius of the M/V GENIUS STAR XI. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone from the potential hazards created by the vessel fire. The duration of the rule is necessary due to the challenges associated with getting materiel and personnel to the vessel given its remote location.

##### IV. Discussion of the Rule

This rule establishes an amended safety zone from January 19, 2024,

through March 6, 2024. The safety zone will be reduced from the previous 1 nautical mile radius, to a ½ nautical mile radius and will cover all navigable waters of the M/V GENIUS STAR XI within the Captain of the Port Zone Western Alaska in the vicinity of the Port of Dutch Harbor, Alaska. The M/V GENIUS STAR XI, IMO 9622710, is a 410-foot General cargo ship with a white superstructure and a black hull.

##### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

###### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under section 3(f) of Executive Order 12866, as amended by Executive Order 14094 (Modernizing Regulatory Review). Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the safety of emergency operators in the vicinity of the M/V GENIUS STAR XI. The small size and short duration of this safety zone combined with anticipated limited vessel traffic is expected to minimally restrict vessel movements. Moreover, the Coast Guard will issue a Broadcast Notice to Mariners via available local means about the zone, and the rule will allow vessels to seek permission under certain conditions to enter the zone from the COTP or a designated representative.

###### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

###### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

###### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and

responsibilities between the Federal Government and Indian tribes.

#### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting only 60 days based on the response operations for the fire onboard the M/V GENIUS STAR XI and will prohibit entry within ½ nautical mile of the vessel. It is categorically excluded from further review under paragraph L60d of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

## PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

**Authority:** 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

- 2. Revise § 165.T17–0020, added at 89 FR 1457 (January 10, 2024), to read as follows:

### § 165.T17–0020 Safety Zone; North Pacific Ocean, Dutch Harbor, AK.

(a) **Location.** The following is a safety zone: All navigable waters within a ½ nautical mile radius of the M/V GENIUS STAR XI within the Captain of the Port Zone Western Alaska in the vicinity of the Port of Dutch Harbor, Alaska.

(b) **Definitions.** As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard Coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Western Alaska (COTP) in the enforcement of the safety zone.

(c) **Regulations.** (1) Under the general safety zone regulations in subpart C of this part, you shall not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative via Marine VHF channel 16 or by calling the USCG Command Center at 907–428–4100. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) **Enforcement period.** This section will be enforced from January 19, 2024, through March 6, 2024.

Dated: January 19, 2024.

## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 52

[EPA–R09–OAR–2023–0630; FRL–11617–01–R9]

### Finding of Failure To Submit State Implementation Plan Submissions for the 2012 Fine Particulate Matter National Ambient Air Quality Standards; California; Los Angeles–South Coast Air Basin

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final action.

**SUMMARY:** The Environmental Protection Agency (EPA) is taking final action to find that California has failed to submit state implementation plan (SIP) elements required under the Clean Air Act (CAA or “Act”) to implement the 2012 national ambient air quality standards (NAAQS) for fine particulate matter (PM<sub>2.5</sub>) (“2012 PM<sub>2.5</sub> NAAQS”) in the Los Angeles–South Coast Air Basin (“South Coast”). California was required to submit a SIP that meets the Serious area plan requirements for a reasonable further progress demonstration, quantitative milestones, an attainment demonstration, and contingency measures for the 2012 PM<sub>2.5</sub> NAAQS by December 31, 2023. The State submitted the required SIP elements, but subsequently withdrew its submission. If the EPA has not affirmatively found that the State has submitted a complete SIP to correct these deficiencies within 18 months of this finding, the offset sanctions will apply in the area. If within six additional months the EPA has still not affirmatively determined that the State has submitted a complete SIP to correct the deficiencies, the highway funding sanction will apply in the area. No later than two years after the EPA makes this finding, if the State has not submitted and the EPA has not approved each of the required SIP elements, the EPA must promulgate a Federal implementation plan (FIP) to address the remaining requirements.

**DATES:** The effective date of this action is February 29, 2024.

**ADDRESSES:** The EPA has established a docket for this action under Docket ID No. EPA–R09–OAR–2023–0630. All documents in the docket are listed on the <https://www.regulations.gov> website. Although listed in the index, some information is not publicly available, e.g., Confidential Business Information (CBI) or other information whose disclosure is restricted by statute.
