

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Instead, the Exchange believes the proposed rule changes to conform certain applicable listing rules so that they are substantively similar to corresponding Nasdaq rules may enhance intermarket competition since the Exchange and Nasdaq will have substantially similar listing requirements for issuers.

Moreover, none of the proposed changes will unduly burden intra-market competition. Participants will experience no competitive impact from the proposed amendments as they are merely intended to the Exchange's corporate governance requirements so that they are substantively similar to those of other exchanges. Further, the Exchange anticipates that all issuers with Companies listed on the Exchange already comply with the proposed rules. Thus, the proposal will have no material impact to such issuers.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹²⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹²⁹

Proposed Rule Change To Modify the Quorum Requirement for Non-U.S. Companies Under Certain Limited Circumstances; and 91567 (April 14, 2021) 86 FR 20556 (April 20, 2021) (Notice of Filing of Amendment No. 1 and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment No. 1, To Modify the Quorum Requirement).

¹²⁸ 15 U.S.C. 78s(b)(3)(A)(iii).

¹²⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires the Exchange to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

A proposed rule change filed under Rule 19b-4(f)(6)¹³⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹³¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay to allow the Exchange to implement the proposal as soon as possible. The Exchange states that the proposal is substantively similar or identical to Nasdaq listing rules series 5200 (General Procedures and Prerequisites for Initial and Continued Listing on the Nasdaq Stock Market), 5600 (Corporate Governance Requirements), and 5800 (Failure to Meeting Listing Standards). The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal does not raise any new or novel issues. The proposed changes have also previously been subject to notice and comment.¹³² Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹³³

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

¹³² See Section II. A, *supra*. As described above, some of the proposed changes were also previously approved by the Commission.

[Public Notice: 12329]

Exchange Visitor Program

ACTION: Notice of an arrangement through a Memorandum of

¹³⁴ 17 CFR 200.30-3(a)(12).

Understanding and waiver of certain regulatory requirements.

SUMMARY: In accordance with the requirements of the Exchange Visitor Program regulations, the Assistant Secretary for Educational and Cultural Affairs (ECA), U.S. Department of State, has waived certain regulatory provisions to establish an exchange of German principals to secondary schools overseen and financed by the government of the Federal Republic of Germany within the United States.

DATES: This action was effective on November 15, 2023.

FOR FURTHER INFORMATION CONTACT:

Rebecca Pasini, Deputy Assistant Secretary for Private Sector Exchange at 2200 C Street NW, SA-5, 5th Floor, Washington, DC 20522 or via email at JExchanges@state.gov or by telephone at (202) 826-4364.

SUPPLEMENTARY INFORMATION: The arrangement between the United States and the Federal Republic of Germany, establishing an exchange of German principals, fosters long-term international cooperation with U.S. communities across the United States. German exchange principals, through their leadership, promote an intercultural environment and strong bonds that last through their students' years at school, university, and beyond. The principals are instrumental in creating a global network of well-connected German and American alumni.

This exchange has been established in accordance with the existing Exchange Visitor Program regulations (22 CFR part 62), including the regulations applying to the Specialist category (22 CFR 62.26). These exchange visitors are experts in a field with specialized knowledge or skills. Program participants are required to be German citizens, hold a valid German passport, and have teaching certification for the secondary level or an advanced degree equivalent to a Master's degree in school administration or a similar field. Program participants are selected by the Federal German Foreign Office and its subordinate authority, the Central Agency for Schools Abroad. Participants are placed as principals in German schools in the United States that are recognized and overseen by the Federal Foreign Office.

Consistent with the arrangement, the Assistant Secretary for Educational and Cultural Affairs waives certain provisions set forth in 22 CFR 62.26. Regulations at 22 CFR 62.26(i) provide that specialists shall be authorized to participate in the Exchange Visitor

Program for the length of time necessary to complete the program, which shall not exceed one year. Regulations at 22 CFR 62.26(d)(3) establish that a foreign national is eligible to participate in an exchange visitor program as a specialist if that individual does not fill a permanent or long-term position of employment while in the United States. Through the arrangement with the Federal Republic of Germany, the United States supports the purposes of the Fulbright-Hayes Act by facilitating administrative support for German schools in the United States and recognizing that international schools are an important way to allow the possibility of young people to be educated in a unique multicultural environment. The arrangement allows German principals to promote intercultural exchange throughout their program, which is permitted to be three years, subject to the terms of the principal's visa.

Subject to the Immigration and Nationality Act (INA), participants may be eligible for one-time repeat participation in the program upon the exchange visitor's valid application and after meeting any other applicable requirements. Although the principal position filled by the participant may remain a long-term one for the school, varying individual principals, including program participants, may serve in that role. Accordingly, the Department waives subsections (d)(3) and (i) of 22 CFR 62.26 with respect to this program.

Lee A. Satterfield,

Assistant Secretary, Bureau of Educational and Cultural Affairs, Department of State.
