ACTION: Notice of a modified system of records.

SUMMARY: In accordance with the Privacy Act of 1974, all agencies are required to publish in the **Federal Register** a notice of their systems of records. Notice is hereby given that the Federal Energy Regulatory Commission (FERC) is publishing a notice of modification to an existing FERC system of records previously titled "*Critical Energy Infrastructure Information (CEII) Records (FERC-58)*" and now titled "*Critical Energy/Electric Infrastructure Information (CEII) Records (FERC-58)*."

If FERC receives public comments, FERC shall review the comments to determine whether any changes to the notice are necessary.

ADDRESSES: Comments should be submitted in writing to Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426 or electronically to privacy@ferc.gov. Comments should indicate that they are submitted in response to "Critical Energy/Electric Infrastructure Information (CEII) Records (FERC-58)".

The following categories of individuals are covered by this system: members of the public and outside entities who request access to CEII from the Commission.

CATEGORIES OF RECORDS IN THE SYSTEM:

1. To appropriate agencies, entities, and persons when (1) FERC suspects or has confirmed that there has been a breach of the system of records; (2) FERC has determined that as a result of the suspected or confirmed breach there is a risk of harm to individuals, the Commission (including its information systems, programs, and operations), the Federal Government, or national security; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with the Commission's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm.

2. To another Federal agency or Federal entity, when FERC determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (1) responding to a suspected or confirmed breach or (2) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or

entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

3. To a congressional office from the record of an individual in response to an inquiry from that congressional office made at the request of that individual.

7. To the Department of Justice (DOJ) for its use in providing legal advice to FERC or in representing FERC in a proceeding before a court, adjudicative body, or other administrative body, where the use of such information by the DOJ is deemed by FERC to be relevant and necessary to the advice or proceeding, and such proceeding names as a party in interest: (a) FERC; (b) any employee of FERC in his or her official capacity; (c) any employee of FERC in his or her individual capacity where DOJ has agreed to represent the employee; or (d) the United States, where FERC determines that litigation is likely to affect FERC or any of its components.

8. To non-Federal Personnel, such as contractors, agents, or other authorized individuals performing work on a contract, service, cooperative agreement, job, or other activity on behalf of FERC or Federal Government and who have a need to access the information in the performance of their duties or activities.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

The records are retrieved by the names of the individual requester, the name of the company, where applicable, and the reference number.

Under 5 U.S.C. 552a(k)(2) this system of records is exempted from the following provisions of the Privacy Act, 5 U.S.C. 552a(c)(3), (d), (e)(1), (e)(4)(G), (H), and (I), and (f). Furthermore, during the course of reviewing a CEII request, exempt materials from other systems of records may in turn become part of the case records. To the extent that copies of exempt records from those other systems of records are entered into this system of records, FERC hereby claims the same exemptions for the records from those other systems that are entered into this system, as claimed for the original primary systems of records of which they are a part. FOIA lists the following exemptions, which are provided in 5 U.S.C 552(b). In addition, the FAST Act, 16 U.S.C. 824o-1(d)(1), exempts CEII from mandatory disclosure under the FOIA.
