Utility Scale Wind Towers From Indonesia: Rescission of Antidumping Duty Administrative Review: 2022–2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on utility scale wind towers (wind towers) for the period of review (POR) August 1, 2022, through July 31, 2023.

DATES: Applicable February 22, 2024.

FOR FURTHER INFORMATION CONTACT: Taylor Hatley, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4886.

SUPPLEMENTARY INFORMATION:

Background

On August 26, 2020, Commerce published in the **Federal Register** the AD order on wind towers from

Indonesia.¹ On August 2, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the AD order.² On August 31, 2023, the Wind Tower Trade Coalition (the petitioner) submitted a timely request that Commerce conduct an administrative review.³

On October 18, 2023, Commerce published in the **Federal Register** a notice of initiation of administrative review with respect to imports of wind towers from Indonesia in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i).⁴ This review covers eight exporters and/or producers.⁵ On October 18, 2023, we placed on the record U.S. Customs and Border Protection (CBP) data for entries of wind towers from Indonesia during the POR, showing no reviewable POR entries and invited interested parties to comment.⁶

On November 6, 2023, PT. Kenertec Power Systems (Kenertec), an exporter subject to this review, submitted a no-shipment certification, indicating that it had no exports or sales of subject merchandise to the United States during the POR.⁷

On February 8, 2024, Commerce notified all interested parties of its intent to rescind the instant review because there were no reviewable, suspended entries of subject merchandise by any of the companies subject to this review during the POR and invited interested parties to comment.⁸ We did not receive any comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order when there are no reviewable entries of

subject merchandise during the POR for which liquidation is suspended.⁹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be at least one reviewable, suspended entry that Commerce can instruct CBP to liquidate at the AD assessment rate calculated for the review period.¹¹ As noted above, there were no entries of subject merchandise for the companies subject to this review during the POR. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested.
