BILLING CODE 4810-AM-P

DEPARTMENT OF DEFENSE

Defense Acquisition Regulations System

Negotiation of a Reciprocal Defense Procurement Agreement With the Republic of Korea

AGENCY: Defense Acquisition
Regulations System, Department of
Defense (DoD).

ACTION: Notice and request for public
comments.

SUMMARY: On behalf of the U.S.
Government, DoD is contemplating
negotiating and concluding a new
Reciprocal Defense Procurement
Agreement with the Republic of Korea.
DoD is requesting industry feedback
regarding its experience in public
defense procurements conducted by or

on behalf of the Ministry of National
Defense or Armed Forces.

DATES: Comments must be received
March 25, 2024.

ADDRESSES: Submit comments by email
to jeffrey.c.grover.civ@mail.mil.

FOR FURTHER INFORMATION CONTACT: Mr.
Jeff Grover, telephone +1-703-380-
9783.

SUPPLEMENTARY INFORMATION: DoD has
concluded Reciprocal Defense
Procurement (RDP) Agreements with 28
qualifying countries, as defined in the
Defense Federal Acquisition Regulation
Supplement (DFARS) 225.003, at the
level of the Secretary of Defense and his
counterpart. The purpose of an RDP
Agreement is to promote rationalization,
standardization, interchangeability, and
interoperability of conventional defense
equipment with allies and other friendly
governments. These Agreements
provide a framework for ongoing
communication regarding market access
and procurement matters that enhance
effective defense cooperation.

RDP Agreements generally include
language by which the Parties agree that
their defense procurements will be
conducted in accordance with certain
implementing procedures. These
procedures relate to—

- Publication of notices of proposed
purchases;
- The content and availability of
solicitations for proposed purchases;
- Notification to each unsuccessful
offeror;
- Feedback, upon request, to
unsuccessful offerors concerning the
reasons they were not allowed to
participate in a procurement or were not
awarded a contract; and

• Provision for the hearing and
review of complaints arising in
connection with any phase of the
procurement process to ensure that, to
the extent possible, complaints are
equitably and expeditiously resolved.

Based on the Agreement, each country
affords the other country certain
benefits on a reciprocal basis consistent
with national laws and regulations. The
benefits that the United States accords
to the products of qualifying countries
include—

- Offers of qualifying country end
products are evaluated without applying
the price differentials otherwise
required by the Buy American statute
and the Balance of Payments Program;
- The chemical warfare protection
clothing restrictions in 10 U.S.C. 4862
and the specialty metals restriction in
10 U.S.C. 4863 do not apply to products
manufactured in a qualifying country; and

• Customs, taxes, and duties are waived for qualifying country end products and components of defense procurements.

If DoD (for the U.S. Government) concludes a new RDP Agreement with the Republic of Korea and DoD executes a blanket public interest determination, as intended, the Republic of Korea will be listed as one of the qualifying countries at DFARS 225.872–1(a).

While DoD is evaluating Republic of Korea laws and regulations in this area, DoD would benefit from U.S. industry's experience in participating in Republic of Korea public defense procurements. DoD is, therefore, asking U.S. firms that have participated or attempted to participate in procurements by or on behalf of the Republic of Korea Ministry of National Defense and Armed Forces to let DoD know if the procurements were conducted with transparency, integrity, fairness, and due process in accordance with published procedures, and if not, the nature of the problems encountered.

DoD is also interested in comments relating to the degree of reciprocity that exists between the United States and the Republic of Korea when it comes to the openness of defense procurements to offers of products from the other country. Further, DoD would like to understand the degree to which U.S. industry feels that it would have equal and proportional access to the Republic of Korea defense market as the Republic of Korea would have under an RDP Agreement.

DEPARTMENT OF DEFENSE

Defense Acquisition Regulations System

[Docket Number DARS–2023–0039; OMB Control Number 0704–0341]

Information Collection Requirement; Defense Federal Acquisition Regulation Supplement; Part 239, Acquisition of Information Technology

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice.

SUMMARY: The Defense Acquisition Regulations System has submitted to OMB for clearance the following proposed revision and extension of a collection of information under the

provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by March 25, 2024.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

You may also submit comments, identified by docket number and title, by the following method: Federal eRulemaking Portal: <https://www.regulations.gov>. Follow the instructions for submitting comments.

FOR FURTHER INFORMATION CONTACT: Tucker Lucas, 571–372–7574, or whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.

SUPPLEMENTARY INFORMATION:

Title and OMB Number: Defense Federal Acquisition Regulation Supplement (DFARS) Part 239, Acquisition of Information Technology, and associated clause at DFARS 252.239–7000; OMB Control Number 0704–0341.

Type of Request: Revision and extension of a currently approved collection.

Affected Public: Businesses or other for-profit and not-for-profit institutions.

Respondent's Obligation: Required to obtain or retain benefits.

Frequency: On occasion.

Number of Respondents: 1,880.

Responses per Respondent:

Approximately 8.6.

Annual Responses: 16,172.

Average Burden per Response:

Approximately 0.5 hour.

Annual Burden Hours: 8,086.

Needs and Uses: This requirement provides for the collection of information from contractors regarding security of information technology. Contracting officers and other DoD personnel use the information to ensure that information technology is protected. The clause at DFARS 252.239–7000, Protection Against Compromising Emanations, requires that the contractor provide, upon request of the contracting officer, documentation that information technology used or provided under the contract meets appropriate information assurance requirements.

The requirement at DFARS 239.7408, which requires the contracting officer to obtain a detailed special construction proposal from a common carrier that submits a proposal or quotation that has

special construction requirements related to the performance of basic telecommunications services, is being removed from this collection.

Approximately three offerors are required to submit a special construction proposal each year, which does not require OMB approval under the Paperwork Reduction Act because it does not meet the threshold of ten or more members of the public being affected within any 12-month period.

DoD Clearance Officer: Mr. Tucker Lucas. Requests for copies of the information collection proposal should be sent to Mr. Lucas at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.
