

perform a statutory purpose of that Federal agency upon the prior written request of that agency.

10. *Data Breach Response and Remediation, for Another Federal Agency:* To another Federal agency or Federal entity, when VA determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (a) responding to a suspected or confirmed breach or (b) preventing, minimizing or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

11. *Family Member:* VHA may disclose a My HealtheVet account user's information to a family member or friend after receiving the verbal permission of the My HealtheVet account user.

12. *Unions, for Representation:* To officials of labor organizations recognized under 5 U.S.C. Chapter 71 provided that the disclosure is limited to information identified in 5 U.S.C. 7114(b)(4) that is relevant and necessary to their duties of exclusive representation concerning personnel policies, practices and matters affecting working conditions.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records are maintained on paper and electronic media, including hard drive disks, which are backed up to tape at regular intervals.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records may be retrieved by an individual's name, user identification, date of registration for My HealtheVet electronic services, ZIP code, electronic data interchange personal identifier, the VA assigned Integration Control Number (ICN), date of birth and/or Social Security Number, if provided.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records in this system are retained and disposed of in accordance with the schedule approved by the Archivist of the United States, General Records Schedule 3.2 Item 031.

ADMINISTRATIVE, TECHNICAL AND PHYSICAL SAFEGUARDS:

1. Access to and use of the My HealtheVet Administrative Records are limited to those persons whose official duties require such access. VA has established security controls and procedures to ensure that access is

appropriately limited. Information System Security Officers and system data stewards review and authorize data access requests. VA regulates data access with security software that authenticates My HealtheVet administrative users and requires individually unique codes and passwords. VA provides Information Security training to all staff and instructs staff on the responsibility each person has for safeguarding data confidentiality. VA regularly updates security standards and procedures that are applied to systems and individuals supporting this program.

2. Physical access to computer rooms housing the My HealtheVet Administrative Records is restricted to authorized staff and protected by a variety of security devices. The Federal Protective Service or other security personnel provide physical security for the buildings housing computer systems and data centers.

3. Data transmissions between operational systems and My HealtheVet Administrative Records maintained by this system of records are protected by telecommunications security software and hardware as prescribed by Federal security and privacy laws as well as VA standards and practices. This includes firewalls, encryption and other security measures necessary to safeguard data as it travels across the VA Wide Area Network.

4. Copies of back-up computer files are maintained at secure off-site locations.

5. VA Enterprise Cloud data storage conforms to security protocols as stipulated in VA Directives 6500 and 6517. Access control standards are stipulated in specific agreements with cloud vendors to restrict and monitor access.

RECORD ACCESS PROCEDURES:

Individuals seeking information on the existence and content of records in this system pertaining to them should contact the system manager in writing as indicated above or write or visit the VA facility location where they normally receive their care. A request for access to records must contain the requester's full name, address, telephone number, be signed by the requester, and describe the records sought in sufficient detail to enable VA personnel to locate them with a reasonable amount of effort.

CONTESTING RECORD PROCEDURES:

Individuals seeking to contest or amend records in this system pertaining to them should contact the system manager in writing as indicated above

or inquire in person at the VA health care facility they normally receive their care. A request to contest or amend records must state clearly and concisely what record is being contested, the reasons for contesting it, and the proposed amendment to the record.

NOTIFICATION PROCEDURES:

Generalized notice is provided by the publication of this notice. For specific notice, see Record Access Procedure, above.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:
