Information Collection Activities; Comment Request

AGENCY: Bureau of Labor Statistics, Department of Labor.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995. The Bureau of Labor Statistics (BLS) is soliciting comments concerning the proposed extension without change of the "Veterans Supplement to the Current Population Survey (CPS)," to be conducted in August 2024, August 2025, and August 2026. A copy of the proposed information collection request can be obtained by contacting the individual

listed below in the **ADDRESSES** section of this notice.

SUPPLEMENTARY INFORMATION:

I. Background

The CPS has been the principal source of official Government statistics on employment and unemployment since 1940 (75 years). Collection of labor force data through the CPS is necessary to meet the requirements in Title 29, United States Code, Sections 1 and 2. The Veterans Supplement provides information on the labor force status of veterans with a service-connected disability, combat veterans, past or present National Guard and Reserve members, and recently discharged veterans. Afghanistan, Iraq, and Vietnam veterans are identified by location of service. Also, questions include items about veterans' transition from Active Duty to civilian employment, details about working with service-connected disabilities, awareness of VA benefits, and work duties while in the Armed Forces. Data are provided by period of service and a range of demographic characteristics. The supplement also provides information on veterans' participation in various transition and employment and training programs. The data collected through this supplement will be used by the U.S. Department of Labor's Veterans Employment and Training Service (VETS) and the U.S. Department of Veterans Affairs (VA) to determine policies that better meet the needs of our Nation's veteran population.

II. Current Action

Office of Management and Budget clearance is being sought for the Veterans Supplement to the CPS.

An extension without change of a currently approved collection is needed to continue to provide the Nation with timely information about the labor force status of veterans with a service-connected disability, combat veterans,

past or present National Guard and Reserve members, recently discharged veterans, and veterans who have served in Afghanistan, Iraq, or Vietnam. In addition, the Veterans Supplement will provide information to assist VA and VETS to develop programs and policies that smooth veterans' transition into civilian employment, including for veterans with service-connected disabilities.

III. Desired Focus of Comments

The Bureau of Labor Statistics is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

OFFICE OF MANAGEMENT AND BUDGET

Office of Federal Procurement Policy

Cost Accounting Standards Board Meeting Agenda

AGENCY: Cost Accounting Standards Board, Office Federal Procurement Policy, Office of Management and Budget.

ACTION: Notice of agenda for Closed Cost Accounting Standards Board meetings.

SUMMARY: The Office of Federal Procurement Policy (OFPP), Cost Accounting Standards Board (CAS Board) is publishing this notice to advise the public of its recent and upcoming meetings. The meetings are closed to the public.

ADDRESSES: New Executive Office Building, 725 17th Street NW, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: John L. McClung, Manager, Cost Accounting Standards Board (telephone: 202-881-9758; email: john.l.mcclung2@omb.eop.gov).

SUPPLEMENTARY INFORMATION: The CAS Board is issuing this notice to inform the public of the discussion topics for recent meetings held on January 17, 2024 and February 20, 2024, and for a meeting scheduled March 11, 2024. The list of agenda items for these meetings is set forth below. While CAS Board meetings are closed to the public, the Board welcomes comments and inquiries, which may be directed to the manager using the contact information provided above. The Board is interested in specific comments on the prioritization of cases on the open docket and on any additional issues that the Board should consider.

Agenda for CAS Board Meetings During the Second Quarter, Fiscal Year 2024

1. *Conformance of CAS to Generally Accepted Accounting Principles (GAAP).* 41 U.S.C. 1501(c)(2) requires the CAS Board to review and conform CAS, where practicable, to GAAP. In furtherance of section 1501(c)(2), the CAS Board will consider the following: (1) issuance of a Notice of Proposed Rule Making addressing the impact of GAAP changes to operating revenue and lease accounting based on the public comments received in response to the Advanced Notice of Proposed Rule Making (ANPRM) (85 FR 70572, November 5, 2020); (2) issuance of an ANPRM addressing conformance of CAS 408, *Accounting for costs of compensated personal absence*, and CAS 409, *Cost accounting standard*

depreciation of tangible capital assets, to GAAP based on public comments received in response to the Staff Discussion Paper (84 FR 9143, March 2019); (3) whether and what type of accounting change conformance of CAS to GAAP might trigger and the associated implications.

2. *Application of CAS to Indefinite Delivery Vehicle (IDVs) contracts.* The Board will discuss a draft notice seeking public comment on application of CAS monetary thresholds to IDV contracts.

3. *Pension Harmonization for Extraordinary Events.* The Board will discuss an ANPRM to modify CAS 412 and CAS 413. The ANPRM would be a follow-on to a rulemaking issued in 2011 required by the Pension Protection Act (PPA) of 2006. The purpose of the ANPRM is to reconcile the application of the PPA and the CAS adjustment of pension costs for extraordinary events (i.e., curtailment of pension plan benefits, termination of plans, and the accounting of pension plan assets or liabilities following the sale or closing of a corporate segment).

4. *Waivers.* Section 820 of the National Defense Authorization Act for FY 2017, amended section 1502(b)(3)(A) of title 41 of the United States Code to raise the threshold under which CAS may be waived if the business unit of the contractor or subcontractor that will perform the work is primarily engaged in the sale of commercial items and would not otherwise be subject to CAS. Section 820 raised the threshold from \$15 million to \$100 million. The Board will discuss a rulemaking to amend the CAS to reflect this statutory threshold change.

5. *Public input.* The Board will reserve time to discuss suggestions received from the public in response to this notice.

The notice is published pursuant to 41 U.S.C. 1501(d), which requires the CAS Board to publish agendas of its meetings in the **Federal Register**.

Christine J. Harada,

Senior Advisor, Office of Federal Procurement Policy, and Chair, Cost Accounting Standards Board, Performing, by Delegation, the Duties of the Administrator for Federal Procurement Policy.
