SUPPLEMENTARY INFORMATION:

A. Purpose

The Federal Funding Accountability and Transparency Act (Pub. L. 109–282, as amended by section 6202(a) of Pub. L. 110–252), known as FFATA or the Transparency Act, requires information disclosure of entities receiving Federal financial assistance through Federal awards such as Federal contracts, subcontracts, grants and sub-grants, FFATA 2(a),(2),(i),(ii). The system that collects this information is called the FFATA Sub-award Reporting System (FSRS, *www.fsrs.gov*). This information collection requires information necessary for prime awardee registration in FSRS to create a user log-in and enable sub-award reporting for their entity. To register in FSRS for a user log-in, an entity is required to provide their Unique Entity Identifier (UEI). FSRS then pulls core data about the entity from their System for Award Management (SAM) registration to include the legal business name, physical address, mailing address and Commercial and Government Entity (CAGE) code. The entity completes the FSRS registration by providing contact information within the entity for approval.

If a prime awardee has already registered in FSRS to report contracts-related Transparency Act financial data, a new log-in will not be required. In addition, if a prime awardee had a user

account in the Electronic Subcontract Reporting System (eSRS), a new log-in will not be required.
