SUPPLEMENTARY INFORMATION:**Background**

On February 6, 2019, Commerce published in the *Federal Register* the countervailing duty (CVD) order on CAAS from China.¹ On April 11, 2023, Commerce published in the *Federal Register* a notice of initiation of an administrative review of the *Order*.² On May 26, 2023, we selected Yinbang Clad Material Co., Ltd. (Yinbang) and Zhengzhou Mingtai Industry Co., Ltd. (Zhengzhou Mingtai) as mandatory respondents.³ Because Zhengzhou Mingtai failed to respond to the Initial Questionnaire, we selected Jiangsu Alcha Aluminum Co., Ltd. as an additional mandatory respondent.⁴

From January 8 through January 26, 2024, we conducted virtual verifications for Yinbang and Jiangsu Alcha Aluminum Co. Ltd. On February 14, 2024, Commerce initiated an investigation on new subsidy and unequityworthiness allegations, which we intend to analyze in a post-preliminary memorandum.⁵ On September 27, 2023, Commerce extended the deadline for completion of these preliminary results until February 28, 2024.⁶

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁷ A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by the *Order* is CAAS from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs preliminarily found to be countervailable, we determine that there is a subsidy, (*i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific).⁸ For a

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. The requests for review for two companies, Mingtai Aluminum and Henan Mingshen New Material Technology, were timely withdrawn, pursuant to 19 CFR 351.213(d)(1), by the only requesting party.⁹ Because the requests were timely withdrawn, and no other parties requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to these two companies.

Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), Commerce calculated a countervailable subsidy rate for the mandatory respondents that are identified below. We determined the countervailable subsidy rate for Zhengzhou Mingtai based entirely on AFA, in accordance with section 776 of the Act. Because there are no other producers or exporters subject to this review that were not selected for individual examination (*i.e.*, non-selected companies), Commerce does not need to establish a rate for such companies in this review.¹⁰

Commerce preliminarily determines the net countervailable subsidy rates for the period January 1, 2022, through December 31, 2022, are as follows:

of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁹ See Preliminary Decision Memorandum.

¹⁰ In the *Initiation Notice*, Commerce also initiated a review on Jiangsu Alcha Aluminium Group., Ltd. and Jiangsu Alcha Aluminium Group Co., Ltd. The respondent reported that Jiangsu Alcha Aluminium Group Co., Ltd. is the current legal name of the company, but is used interchangeably with Jiangsu Alcha Aluminium Group Co., Ltd. The respondent also reported that due to the recent change, Jiangsu Alcha Aluminium Co., Ltd. and Jiangsu Alcha Aluminium Group Co., Ltd. refer to the same entity.

Commerce will notify interested parties of the deadline for submission of case briefs. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁵ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁶

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁷ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that

Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁸

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically, using ACCESS. Hearing requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the case and rebuttal briefs. An electronically filed request must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time, within 30 days of the publication date of this notice. If a request for a hearing is made, parties will be notified of the time and date of the hearing.¹⁹

Assessment Rates

In accordance with 751(a)(2)(C) of the Act and 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts for the producers/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

With regard to Jiangsu Alcha, we intend to instruct CBP to assess countervailing duties on all appropriate entries covered by this review under both its old and new names (*i.e.*, Jiangsu Alcha Aluminum Group Co., Ltd., Jiangsu Alcha Aluminium Group Co., Ltd., Jiangsu Alcha Aluminum Co., Ltd. and Jiangsu Alcha Aluminium Co., Ltd.). Concerning Baotou Alcha, we intend to instruct CBP to assess countervailing duties on all appropriate entries covered by this review for all of its names identified in this notice.

For Mingtai Aluminum and Henan Mingshen New Material Technology, the companies for which this review is

being rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2022, through December 31, 2022, in accordance with 19 CFR

351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Rates

In accordance with section 751(a)(2)(C) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated for the producers/exporters listed above on shipments of subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. With regard to Jiangsu Alcha, we intend to instruct CBP to collect cash deposits of estimated countervailing duties under all of its name variations identified in this notice. Concerning Baotou Alcha, we intend to instruct CBP to collect cash deposits of estimated countervailing duties under all of its names identified in this notice. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of final results of this review. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Certain Frozen Warmwater Shrimp From India: Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission; 2022–2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain frozen warmwater shrimp (shrimp) from India is being, or is likely to be, sold in the United States at less than normal value (NV) during the period of review (POR) February 1, 2022, through January 31, 2023. In addition, Commerce is rescinding this review, in part, with respect to 164 companies because these companies had no reviewable entries of subject merchandise during the POR.

We invite interested parties to comment on these preliminary results.

DATES: Applicable March 5, 2024.

FOR FURTHER INFORMATION CONTACT: Herawe Kebede or Ashley Cossaart, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4312 or (202) 482-0462, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 11, 2023, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on shrimp from India.¹ This review covers 198 producers and/or exporters of the subject merchandise. Commerce selected two mandatory respondents for individual examination: NK Marine Exports LLP (NK Marine); and RSA Marines/Royal Oceans (RSA Marines).² For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.³

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp. The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 0306.17.00.04, 0306.17.00.05, 0306.17.00.07, 0306.17.00.08, 0306.17.00.10, 0306.17.00.11, 0306.17.00.13, 0306.17.00.14, 0306.17.00.16, 0306.17.00.17, 0306.17.00.19, 0306.17.00.20, 0306.17.00.22, 0306.17.00.23, 0306.17.00.25, 0306.17.00.26, 0306.17.00.28, 0306.17.00.29, 0306.17.00.41, 0306.17.00.42, 1605.21.10.30, and

1605.29.10.10. Although the HTSUS subheadings are provided for convenience and for customs purposes, the written product description remains dispositive.⁴

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an antidumping duty order where it concludes that there were no suspended entries of subject merchandise during the POR.⁵ Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate for the review period.⁶ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated antidumping duty assessment rate for the review period.⁷ Commerce notified all interested parties of its intent to rescind the instant review regarding the companies listed in Appendix III because there were no reviewable, suspended entries of subject merchandise from these companies during the POR and invited interested parties to comment.⁸ We received comments from the American Shrimp Processors Association (ASPA), arguing that Commerce should not rescind the review for the companies listed in the Intent to Rescind Memorandum because these companies have not submitted no-
