Abstract: The purpose of this information collection request is to assist the EPA in selecting federal advisory committee members who will be appointed as Special Government Employees (SGEs), mostly to the EPA's scientific and technical committees. To select SGE members as efficiently and cost effectively as possible, the Agency needs to evaluate potential conflicts of interest before a candidate is hired as an SGE and appointed as a member to a committee.

Agency officials developed the "Confidential Financial Disclosure Form for Special Government Employees at the U.S. Environmental Protection Agency," also referred to as Form 3110-48, for greater inclusion of information to discover any potential conflicts of interest as recommended by the Government Accountability Office.

Form numbers: EPA Form 3110-48.

Respondents/affected entities: Candidates for membership as SGEs on EPA federal advisory committees. SGEs are required to file a confidential financial disclosure report (Form 3110-48) when first appointed to serve on EPA federal advisory committees, and then annually thereafter. Committee members may also be required to update the confidential form before each meeting while they serve as SGEs.

Respondent's obligation to respond: Required to serve as an SGE on an EPA federal advisory committee (5 CFR 2634.903).

Estimated number of respondents: 325 (total).

Frequency of response: When first appointed to serve on an EPA advisory committee and annually thereafter. Committee members may also be required to update the confidential form before each meeting while they serve as SGEs.

Total estimated burden: 325 hours per year (1 hour per respondent). Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$88,400 (per year), includes \$0 annualized capital or operation & maintenance costs.

Changes in the estimates: There is no change in the total estimated respondent burden compared with the ICR currently approved by OMB.

Director, Information Engagement Division.

The purpose of the CASAC NO_x Panel meeting is to provide consultative advice on the Integrated Review Plan for the Primary National Ambient Air Quality Standards (NAAQS) for NO_x, Volume 2. The purpose of the Chartered CASAC meeting is to provide advice on the NAAQS review process.

DATES:

Public meetings: The CASAC NO_x Panel will meet on April 16, 2024, from 11 a.m. to 3 p.m. eastern time. The Chartered CASAC will meet on April 25, 2024, from 11 a.m. to 3 p.m. eastern time.

Comments: See the section titled "Procedures for providing public input" under **SUPPLEMENTARY INFORMATION** for instructions and deadlines.

ADDRESSES: Both meetings will be conducted virtually. Please refer to the CASAC website at <https://casac.epa.gov> for information on how to attend the meeting.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information concerning this notice may contact Mr. Aaron Yeow, Designated Federal Officer (DFO), via telephone at (202) 564-2050, or email at yeow.aaron@epa.gov. General information about the CASAC, as well as any updates concerning the meetings announced in this document, can be found on the CASAC website at <https://casac.epa.gov>.

SUPPLEMENTARY INFORMATION:

Background: The CASAC was established pursuant to the Clean Air Act (CAA) Amendments of 1977, codified at 42 U.S.C. 7409(d)(2), to review air quality criteria and NAAQS and recommend to the EPA Administrator any new NAAQS and revisions of existing criteria and NAAQS as may be appropriate. As amended, 5 U.S.C., app. Section 109(d)(1) of the Clean Air Act (CAA) requires that EPA carry out a periodic review and revision, as appropriate, of the air quality criteria and the NAAQS for the six "criteria" air pollutants, including NO_x. The CASAC is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S. Code 10. The CASAC and CASAC NO_x panel will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies. Pursuant to FACA and EPA policy, notice is hereby given that the

CASAC NO_x Panel will hold a public meeting to provide consultative advice on the IRP Vol. 2, and the Chartered CASAC will provide advice on the NAAQS review process.

Availability of meeting materials: All meeting materials, including the agendas, will be available on the CASAC web page at <https://casac.epa.gov>.

Procedures for providing public input: Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to the EPA. Members of the public can submit relevant comments pertaining to the committee's charge or meeting materials. Input from the public to the CASAC will have the most impact if it provides specific scientific or technical information or analysis for the CASAC to consider or if it relates to the clarity or accuracy of the technical information. Members of the public wishing to provide comments should follow the instruction below to submit comments.

Oral statements: In general, individuals or groups requesting an oral presentation at the meeting will be limited to five minutes. Each person making an oral statement should consider providing written comments as well as their oral statement so that the points presented orally can be expanded upon in writing. Persons interested in providing oral statements should contact the DFO, in writing (preferably via email) at the contact information noted under **FOR FURTHER INFORMATION CONTACT**, by April 9, 2024, for the April 16, 2024 meeting, and by April 18, 2024, for the April 25, 2024 meeting, to be placed on the list of registered speakers.

Written statements: Written statements will be accepted throughout the advisory process; however, for timely consideration by CASAC members, statements should be submitted to the DFO by April 9, 2024, for consideration at the April 16, 2024 meeting, and by April 18, 2024, for consideration at the April 25, 2024 meeting. Written statements should be supplied to the DFO at the contact information above via email. Submitters are requested to provide an unsigned version of each document because the SAB Staff Office does not publish documents with signatures on its websites. Members of the public should
