SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the FCC invited the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.”

OMB Control Number: 3060–1214.

Title: Direct Access to Numbers Order, FCC 15–70, Conditions.

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 20 respondents; 20 responses.

Estimated Time per Response: 10–35 hours.

Frequency of Response: One-time; ongoing and bi-annual reporting requirements.

Obligation to Respond: Voluntary. Statutory authority for these collections are contained in 47 U.S.C. 251(e)(1) and section 6(a) of the TRACED Act.

Total Annual Burden: 1,100 hours.

Total Annual Cost: No Cost.

Needs and Uses: On June 18, 2015, the Commission adopted a Report and Order establishing the Numbering Authorization Application, which allows interconnected VoIP providers to apply for a blanket authorization from the FCC that, once granted, will allow them to demonstrate that they have the authority to provide service in specific areas, thus enabling them to request numbers directly from the Numbering Administrators. The collection covers the information and certifications that applicants must submit in order to comply with the Numbering Authorization Application process. On September 21, 2023, the Commission adopted a Second Report and Order that strengthens this application process by revising this information collection to ensure the Commission receives sufficient detail from interconnected VoIP applicants to make informed, public-interest-driven decisions about their direct access applications and thereby protect the public from bad actors. This information will continue help the Commission stem the tide of illegal robocalls, protect national security and law enforcement, safeguard the nation’s finite numbering resources, reduce the opportunity for regulatory arbitrage, and further promote public safety.

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the

Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before May 6, 2024. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to nicole.ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele, (202) 418–2991.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060–0922.

Title: Mid-Term Self-Identification.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities, Not-for-profit institutions.

Number of Respondents and Responses: 1,168 respondents; 1,168 responses.

Estimated Time per Response: 1.2 minutes (0.02 hours).

Frequency of Response: Mid-term reporting requirement, generally once every eight years.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority which covers this information collection is contained in Section 154(i) and 303 of the Communications Act of 1934, as amended.

Total Annual Burden: 23 hours.

Total Annual Cost: No Cost.

Needs and Uses: On February 15, 2019, the Commission released a Report and Order (Order), MB Docket No. 18–23, FCC 19–10; *In the Matter of Elimination of Obligation to File*

Broadcast Mid-Term Report (Form 397) Under Section 73.2080(f)(2). The Order eliminated the provision of Section 73.2080(f)(2) which required stations to file Form 397 and, as announced via Public Notice on May 11, 2023,¹ replaced it with a technological approach designed to be more efficient and less burdensome to licensees. Now, when uploading their annual EEO public file report to the Commission's Online Public Inspection File (OPIF), broadcast radio and Satellite Digital Audio Radio Services (SDARS)² licensees are required at the mid-point of their license term once every eight years³ to answer "Yes" or "No" to indicate whether they have eleven or more full-time employees, which is the threshold number of employees triggering a mid-term review for radio and SDARS employment units. All television stations uploading an EEO public file report to the OPIF are necessarily subject to a mid-term review because the requisite staff size for both obligations is five full-time employees for television employment units. Thus, the very act of posting the report to the OPIF is sufficient to identify television stations subject to a mid-term review.

FEDERAL MARITIME COMMISSION

[Docket No. 24-13]

Access One Transport, Inc., Complainant v. COSCO Shipping Lines Co. Ltd., Respondent; Notice of Filing of Complaint and Assignment

Served: March 1, 2024.

Notice is given that a complaint has been filed with the Federal Maritime Commission (the "Commission") by Access One Transport, Inc. (the "Complainant") against COSCO Shipping Lines Co. Ltd. (the "Respondent"). Complainant states that the Commission has subject matter jurisdiction over the complaint pursuant to the Shipping Act of 1984, as amended, 46 U.S.C. 40101 *et seq.* and personal jurisdiction over the Respondent as an ocean common carrier, as defined in 46 U.S.C. 40102(7) and (18).

Complainant is a California corporation with a principal place of business in Gardena, California that operates as a licensed motor carrier.

Complainant identifies Respondent as a corporation organized under the laws of China with its corporate headquarters in Shanghai, China, that has a U.S. agent, COSCO Shipping (North America), Inc., with a principal place of business in Secaucus, New Jersey, and as an ocean common carrier at all times pertinent to the complaint.

Complainant alleges that Respondent violated 46 U.S.C. 41102(c), 41104(a)(3), and 41104(a)(8). Complainant alleges these violations arose from acts or

omissions of the Respondent that rendered Complainant unable to return empty containers within the allowable free time, including the imposition of dual transaction restrictions and return limits, and the unavailability of appointments. Complainant also alleges these violations caused various damages to the Complainant, including detention charges, chassis charges, storage costs, stop off charges, and re-delivery charges.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/24-13/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding judge shall be issued by March 3, 2025, and the final decision of the Commission shall be issued by September 18, 2025.
