

Broadcast Mid-Term Report (Form 397) Under Section 73.2080(f)(2). The Order eliminated the provision of Section 73.2080(f)(2) which required stations to file Form 397 and, as announced via Public Notice on May 11, 2023,¹ replaced it with a technological approach designed to be more efficient and less burdensome to licensees. Now, when uploading their annual EEO public file report to the Commission's Online Public Inspection File (OPIF), broadcast radio and Satellite Digital Audio Radio Services (SDARS)² licensees are required at the mid-point of their license term once every eight years³ to answer "Yes" or "No" to indicate whether they have eleven or more full-time employees, which is the threshold number of employees triggering a mid-term review for radio and SDARS employment units. All television stations uploading an EEO public file report to the OPIF are necessarily subject to a mid-term review because the requisite staff size for both obligations is five full-time employees for television employment units. Thus, the very act of posting the report to the OPIF is sufficient to identify television stations subject to a mid-term review.

FEDERAL MARITIME COMMISSION

[Docket No. 24-13]

Access One Transport, Inc., Complainant v. COSCO Shipping Lines Co. Ltd., Respondent; Notice of Filing of Complaint and Assignment

Served: March 1, 2024.

Notice is given that a complaint has been filed with the Federal Maritime Commission (the "Commission") by Access One Transport, Inc. (the "Complainant") against COSCO Shipping Lines Co. Ltd. (the "Respondent"). Complainant states that the Commission has subject matter jurisdiction over the complaint pursuant to the Shipping Act of 1984, as amended, 46 U.S.C. 40101 *et seq.* and personal jurisdiction over the Respondent as an ocean common carrier, as defined in 46 U.S.C. 40102(7) and (18).

Complainant is a California corporation with a principal place of business in Gardena, California that operates as a licensed motor carrier.

Complainant identifies Respondent as a corporation organized under the laws of China with its corporate headquarters in Shanghai, China, that has a U.S. agent, COSCO Shipping (North America), Inc., with a principal place of business in Secaucus, New Jersey, and as an ocean common carrier at all times pertinent to the complaint.

Complainant alleges that Respondent violated 46 U.S.C. 41102(c), 41104(a)(3), and 41104(a)(8). Complainant alleges these violations arose from acts or

omissions of the Respondent that rendered Complainant unable to return empty containers within the allowable free time, including the imposition of dual transaction restrictions and return limits, and the unavailability of appointments. Complainant also alleges these violations caused various damages to the Complainant, including detention charges, chassis charges, storage costs, stop off charges, and re-delivery charges.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/24-13/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding judge shall be issued by March 3, 2025, and the final decision of the Commission shall be issued by September 18, 2025.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Recordkeeping and Disclosure Requirements Associated with the CFPB's Regulation M.

Collection identifier: FR M.

OMB control number: 7100-0202.

General description of collection: The Consumer Leasing Act (CLA) and Regulation M require lessors uniformly to disclose to consumers the costs, liabilities, and terms of consumer lease transactions. The Dodd-Frank Wall Street Reform and Consumer Protection Act transferred rulemaking authority for the CLA to the CFPB except for certain motor vehicle dealers that are excluded from the CFPB's authority, which remain subject to the Board's Regulation M. The FR M is the Board's information collection associated with Regulation M. These disclosures are provided to

consumers before they enter lease transactions and in advertisements that state the availability of consumer leases on particular terms. The disclosures are intended to provide consumers with meaningful disclosures about the costs and terms of leases for personal property and enable consumers to compare the terms for a particular lease with those for other leases and, when appropriate, to compare lease terms with those for credit transactions.

Frequency: Event generated.

Respondents: The FR M panel comprises state member banks with assets of \$10 billion or less that are not affiliated with an insured depository institution with assets over \$10 billion (irrespective of the consolidated assets of any holding company); non-depository affiliates of such state member banks; and non-depository affiliates of bank holding companies that are not affiliated with an insured depository institution with assets over \$10 billion. Notwithstanding the foregoing, the Consumer Financial Protection Bureau, and not the Board, has supervisory authority for Regulation M with respect to automobile leasing over non-banks defined as "larger participants" in the automobile finance market pursuant to 12 U.S.C. 5514 (implemented by 12 CFR 1090.108).

Total estimated number of respondents: 3.

Total estimated annual burden hours: 17.¹

Board of Governors of the Federal Reserve System, March 4, 2024.

Michele Taylor Fennell,
Deputy Associate Secretary of the Board.
