DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA-2024-0002; Internal Agency Docket No. FEMA-B-2414]

Proposed Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice.

SUMMARY: Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES: Comments are to be submitted on or before June 10, 2024.

ADDRESSES: The Preliminary FIRM, and where applicable, the FIS report for each community are available for inspection at both the online location <https://hazards.fema.gov/femportal/prelimdownload> and the respective

Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

You may submit comments, identified by Docket No. FEMA-B-2414, to Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Mapping and Insurance eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: FEMA proposes to make flood hazard determinations for each community listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP.

The communities affected by the flood hazard determinations are provided in the tables below. Any request for reconsideration of the

revised flood hazard information shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations also will be considered before the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP only may be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at https://www.floodsrp.org/pdfs/srp_overview.pdf.

The watersheds and/or communities affected are listed in the tables below. The Preliminary FIRM, and where applicable, FIS report for each community are available for inspection at both the online location <https://hazards.fema.gov/femportal/prelimdownload> and the respective Community Map Repository address listed in the tables. For communities with multiple ongoing Preliminary studies, the studies can be identified by the unique project number and Preliminary FIRM date listed in the tables. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

U.S. Immigration and Customs Enforcement

[Docket No. ICEB-2023-0015]

RIN 1653-ZA44

Employment Authorization for Venezuelan F-1 Nonimmigrant Students Experiencing Severe Economic Hardship as a Direct Result of the Crisis in Venezuela

AGENCY: U.S. Immigration and Customs Enforcement; Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice announces that the Secretary of Homeland Security (Secretary) is suspending certain regulatory requirements for F-1 nonimmigrant students whose country of citizenship is Venezuela, regardless of country of birth (or individuals having no nationality who last habitually resided in Venezuela), and who are experiencing severe economic hardship as a direct result of the crisis in Venezuela. The Secretary is taking action to provide relief to these Venezuelan students who are in lawful F-1 nonimmigrant student status, so the students may request employment authorization, work an increased number of hours while school is in session, and reduce their course load while continuing to maintain their F-1 nonimmigrant student status. The U.S. Department of Homeland Security (DHS) will deem an F-1 nonimmigrant student granted employment authorization by means of this notice to be engaged in a “full course of study” for the duration of the employment authorization, if the nonimmigrant student satisfies the minimum course

load requirement described in this notice.

DATES: This action is effective March 11, 2024, through September 10, 2025.

FOR FURTHER INFORMATION CONTACT: Sharon Snyder, Unit Chief, Policy and Response Unit, Student and Exchange Visitor Program, MS 5600, U.S. Immigration and Customs Enforcement, 500 12th Street SW, Washington, DC 20536-5600; email: sevp@ice.dhs.gov, telephone: (703) 603-3400. This is not a toll-free number. Program information can be found at <https://www.ice.gov/sevis/>.

SUPPLEMENTARY INFORMATION:

What action is DHS taking under this notice?

The Secretary is exercising authority under 8 CFR 214.2(f)(9) to temporarily suspend the applicability of certain requirements governing on-campus and off-campus employment for F-1 nonimmigrant students whose country of citizenship is Venezuela regardless of country of birth (or individuals having no nationality who last habitually resided in Venezuela), who are present in the United States in lawful F-1 nonimmigrant student status on the date of publication of this notice, and who are experiencing severe economic hardship as a direct result of the situation in Venezuela. The original Notice that was prompted by emergent circumstances, which applied to F-1 nonimmigrant students who met certain criteria, including having been lawfully present in the United States in F-1 nonimmigrant status on April 22, 2021, was effective from April 22, 2021, until September 9, 2022. See 86 FR 21328 (Apr. 22, 2021). A subsequent Notice provided for an 18-month extension of the original Notice from September 10, 2022, through March 10, 2024. See 87 FR 55017 (Sept. 8, 2022). Effective with this publication, suspension of the employment limitations is available through September 10, 2025, for those

who are in lawful F-1 nonimmigrant status on the date of publication of this Notice. DHS will deem an F-1 nonimmigrant student granted employment authorization through this Notice to be engaged in a “full course of study” for the duration of the employment authorization, if the student satisfies the minimum course load set forth in this notice.¹ See 8 CFR 214.2(f)(6)(i)(F). Those covered by the Notice ending on March 10, 2024 (see 87 FR 55017), will receive an extension of Special Student Relief under this Notice through September 10, 2025.

Who is covered by this notice?

This notice applies exclusively to F-1 nonimmigrant students who meet all of the following conditions:

- (1) Are a citizen of Venezuela regardless of country of birth (or an individual having no nationality who last habitually resided in Venezuela);
- (2) Were lawfully present in the United States on the date of publication of this notice in F-1 nonimmigrant status under section 101(a)(15)(F)(i) of the Immigration and Nationality Act (INA), 8 U.S.C. 1101(a)(15)(F)(i);
- (3) Are enrolled in an academic institution that is Student and Exchange Visitor Program (SEVP)-certified for enrollment for F-1 nonimmigrant students;
- (4) Are currently maintaining F-1 nonimmigrant status; and
- (5) Are experiencing severe economic hardship as a direct result of the situation in Venezuela.

This notice applies to F-1 nonimmigrant students in an approved

¹ Because the suspension of requirements under this notice applies throughout an academic term during which the suspension is in effect, DHS considers an F-1 nonimmigrant student who engages in a reduced course load or employment (or both) after this notice is effective to be engaging in a “full course of study,” see 8 CFR 214.2(f)(6), and eligible for employment authorization, through the end of any academic term for which such student is matriculated as of Sept. 10, 2025, provided the student satisfies the minimum course load requirements in this notice.
