DEPARTMENT OF LABOR

Office of Workers' Compensation Programs

Proposed Revision of Existing Collection; Longshore and Harbor Workers' Compensation Act Notice of Payments (LS-208)

AGENCY: Division of Federal Employees', Longshore and Harbor Workers' Compensation (DFELHWC), Office of Workers' Compensation Programs, Department of Labor.

ACTION: Request for public comments.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance request for comment to provide the general public and Federal agencies with an opportunity to comment on proposed collections of information in accordance with the Paperwork Reduction Act of 1995. This request helps to ensure that: requested data can be provided in the desired format; reporting burden (time and financial resources) is minimized; collection instruments are clearly understood; and the impact of collection requirements on respondents can be properly assessed. OWCP/DFELHWC is soliciting comments on the information collection for "Notice of Payments (LS-208)."

DATES: Consideration will be given to all written comments received by May 17, 2024.

ADDRESSES: You may submit comment as follows. Please note that late, untimely filed comments will not be considered.

Written/Paper Submissions: Submit written/paper submissions in the following way:

- *Mail/Hand Delivery:* Mail or visit DOL-OWCP/DFELHWC, Office of Workers' Compensation Programs, Division of Federal Employees' Longshore and Harbor Workers' Compensation, U.S. Department of Labor, 200 Constitution Ave. NW, Room S3323, Washington, DC 20210.

- OWCP/DFELHWC will post your comment as well as any attachments, except for information submitted and marked as confidential, in the docket at <https://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT:

Contact Anjanette Suggs, Office of Workers' Compensation Programs, Division of Federal Employees', Longshore and Harbor Workers' Compensation, OWCP/DFELHWC at suggs.anjanette@dol.gov (email); or (202) 354-9660.

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs administers the Longshore and Harbor Workers' Compensation Act. The Act provides benefits to workers injured in maritime employment on the navigable waters of the United States or in an adjoining area customarily used by an employer in loading, unloading, repairing, or building a vessel. In addition, several acts extend the Longshore Act's coverage to certain other employees. Legal authority for this information collection is found at 33 U.S.C. 930(a) and (b). Under sections 914(b) & (c) of the Longshore Act, a self-insured employer or insurance carrier is required to pay compensation within 14 days after the employer has knowledge of the injury or death and immediately notify the district director of the payment. Under Section 914(g), the employer/carrier is required to issue notification of final payment of compensation. Form LS-208 has been designated as the proper form on which report of those payments is to be made. Legal authority for this information collection is found at 33 U.S.C. 914(b), (c) & (g). Regulatory authority is found at 20 CFR 702.234.

II. Desired Focus of Comments

The OWCP/DFELHWC is soliciting comments concerning the proposed information collection request (ICR) titled, "Notice of Payment (LS-208)."

OWCP/DFELHWC is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the

functions of the agency, including whether the information will have practical utility.

- Evaluate the accuracy of OWCP/DFELHWC's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used in the estimate.

- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Background documents related to this information collection request are available at <https://regulations.gov> and at DOL-OWCP/DFELHWC located at 200 Constitution Ave. NW, Room S3323, Washington, DC 20210.

Questions about the information collection requirements may be directed to the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

SUPPLEMENTARY INFORMATION:

Comments: Comments regarding (a) whether the proposed collection of information is necessary for the proper performance of the functions of the NSF, including whether the information shall have practical utility; (b) the accuracy of the NSF’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, use, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to the points of contact in the **FOR FURTHER INFORMATION CONTACT** section.

Copies of the submission may be obtained by calling 703–292–7556. NSF may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number, and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Title of Collection: Computer Science for All—Evaluation and Systematic Review of Grantee Documents.

OMB Number: 3145–NEW.

Type of Request: Intent to seek approval to establish an information collection for post-award output and outcome monitoring system.

Abstract

Computer Science for All Researcher Practitioner Partnership (RPP) grantees are required to submit Annual Reports and Project Outcome reports to NSF that summarize the outputs, outcomes, and impact of their funded work. NSF is required by Congress to demonstrate the long-term outcomes for the CSforAll RPP initiative, defined as those that occur at least 5 years since grantees received funding, the first year where these long-term outcomes can be documented for the first CSforAll RPP cohort, funded in 2017, was 2023. This multi-year evaluation is focused on documenting the long-term outcomes for the first three cohorts of the initiative—2017, 2018, and 2019. There are a total of 73 funded grants from the three cohorts. To effectively extract and analyze the needed information to document long-term outcomes for these
