SUPPLEMENTARY INFORMATION:

I. Abstract

This collection of information is necessary under the Defense Production Act of 1950 (DPA), as amended, and related Executive Order 13603. Under the Competitive Enhancement Needs Assessment Survey Program (The Program), the Bureau of Industry and Security's Office of Technology Evaluation (OTE) distributes surveys nationwide to businesses in order to determine which government competitive enhancement, procurement opportunity and business diversification programs would benefit their competitive position in the marketplace. The results of the mandatory surveys allow The Program to align industry stakeholders with the Federal and State resources best suited to meet their individual needs. The expertise of 70+ Federal and State government organizations is made available to The Program, in addition to the excess equipment and facilities resident in closed Federal installations plus the excess government equipment at government contractor facilities. The companies respond to the OTE program surveys on a mandatory basis.
