General Description of Collection:
This collection consists of recordkeeping requirements for qualified financial contracts (QFCs) held by insured depository institutions in troubled condition. There is no change in the methodology or substance of this information collection. The decrease in the estimated annual burden (from 10,250 hours in 2021 to 8,960 hours currently) is due to the decline in the estimated number of limited scope entities covered by Part 371.
