Proposed Consent Decree, Clean Water Act Claim

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed consent decree; request for public comment.

SUMMARY: In accordance with the Environmental Protection Agency (EPA) Administrator's March 18, 2022, memorandum regarding "Consent Decrees and Settlement Agreements to resolve Environmental Claims Against the Agency," notice is hereby given of a proposed consent decree in *Sierra Club, et al. v. EPA, et al.*, No. 3:24-cv-00130 (S.D.W. Va. 2024). On March 18, 2024, the Sierra Club, the West Virginia Highlands Conservancy, Inc., and the West Virginia Rivers Coalition, Inc.

(collectively, "Plaintiffs") filed a complaint in the United States District Court for the Southern District of West Virginia against EPA alleging that the Agency failed to perform a mandatory duty under the Clean Water Act (CWA) to establish Total Maximum Daily Loads (TMDLs) for certain waters located in the Lower Guyandotte River Watershed in West Virginia that are impaired due to ionic toxicity. This complaint followed Plaintiffs' submission to EPA of a Notice of Intent to Sue on March 21, 2023. EPA seeks public input on a proposed consent decree prior to its final decision-making with regard to potential settlement of the litigation.

DATES: Written comments on the proposed consent decree must be received by April 29, 2024.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OGC-2024-0145 online at <https://www.regulations.gov> (EPA's preferred method). Follow the online instructions for submitting comments.

Instructions: All submissions received must include the Docket ID number for this action. Comments received may be posted without change to <https://www.regulations.gov>, including any personal information provided. For detailed instructions on sending comments, see the "Additional Information About Commenting on the Proposed Consent Decree" heading under the **SUPPLEMENTARY INFORMATION** section of this document.

FOR FURTHER INFORMATION CONTACT: Alec Mullee, Water Law Office, Office of General Counsel, U.S. Environmental Protection Agency; telephone: (202) 564-9616; email address: mullee.alec@epa.gov.

SUPPLEMENTARY INFORMATION:

I. Additional Information About the Proposed Consent Decree

On March 18, 2024, Plaintiffs filed a complaint in Federal district court asserting that EPA failed to perform a mandatory duty under the CWA to establish TMDLs for certain waters located in the Lower Guyandotte River Watershed in West Virginia that are biologically impaired due to ionic toxicity (Ionic Toxicity TMDLs). This complaint followed Plaintiffs' submission to EPA of a Notice of Intent to Sue (NOI) on March 21, 2023. Following submission of the NOI, Plaintiffs and EPA initiated settlement discussions, which resulted in the proposed consent decree. Under the consent decree, EPA would be obligated to establish Ionic Toxicity TMDLs for 11 waterbody segments in the Lower Guyandotte River Watershed by January
