Polyester Textured Yarn From India: Final Results of Antidumping Duty Administrative Review; 2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that polyester textured yarn (yarn) from India was not sold in the United States at less than normal value (NV) during the period of review (POR) January 1, 2022, through December 31, 2022.

DATES: Applicable April 18, 2024. **FOR FURTHER INFORMATION CONTACT:** Samantha Kinney, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington,

DC 20230; telephone: (202) 482-2285.

SUPPLEMENTARY INFORMATION:

Background

On January 25, 2024, Commerce published in the **Federal Register** the preliminary results of the 2022 administrative review ¹ of the antidumping duty order on yarn from India.² We invited interested parties to comment on the *Preliminary Results*.³ No interested party submitted comments. Accordingly, the final results of review remain unchanged from the *Preliminary Results*. Commerce conducted this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The product covered by this *Order* is polyester textured yarn from India. For a full description of the scope of the *Order*, see the *Preliminary Results*.⁴

Final Results of Review

We determine that the following weighted-average dumping margin exists for the POR: ⁵

Exporter/producer	Weighted- average dumping margin (percent)
Reliance Industries Limited; Alok Industries Limited	0.00

Disclosure

Because Commerce received no comments on the *Preliminary Results*, we have not modified our analysis and no decision memorandum accompanies this **Federal Register** notice. We are adopting the *Preliminary Results* as the final results of this review.

Consequently, there are no new calculations to disclose in accordance with 19 CFR 351.224(b) for these final results.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Because the respondent's weighted-average dumping margin or importer-specific assessment rate is zero or *de minimis* in the final results of review, we intend to instruct CBP to liquidate entries without regard to antidumping duties.⁶

For entries of subject merchandise during the POR produced by the respondent for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate (*i.e.*, 13.50 percent) determined in the original less-than-fair-value (LTFV) investigation ⁷ if there is no rate for the intermediate company(ies) involved in the transaction.⁸

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the

should be collapsed and treated as a single entity. In these final results, Commerce continues to treat these companies as a single entity. See Preliminary Results PDM at 3–4.
