(Ningbo Dongxin), the sole mandatory respondent in this review and an exporter of alloy and certain carbon steel threaded rod (threaded rod) from the People's Republic of China (China), sold subject merchandise in the United States at prices below normal value (NV) during the period of review April 1, 2022, through March 31, 2023. Additionally, Commerce is rescinding this review with respect to Ningbo

Zhongjiang High Strength Bolts Co., Ltd. (Ningbo Zhongjiang). Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable May 1, 2024.

Claudia Cott, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4270.

SUPPLEMENTARY INFORMATION:

Background

On April 9, 2020, Commerce published in the **Federal Register** the antidumping duty order on threaded rod from China.¹ On June 12, 2023, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the *Order* covering two companies: Ningbo Dongxin and Ningbo Zhongjiang.² On November 30, 2023, we extended the deadline for these preliminary results of this review to April 26, 2024.³ For a complete description of the events that occurred since the initiation of this review, see the Preliminary Decision Memorandum.⁴

Scope of the Order⁵

The merchandise covered by the *Order* is alloy and certain carbon steel threaded rod from China. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. On June 16, 2023, Ningbo Zhongjiang timely withdrew its request for an

administrative review of itself within the 90-day deadline.⁶ No other parties requested a review of Ningbo Zhongjiang. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding the administrative review of Ningbo Zhongjiang.

Separate Rates

Commerce preliminarily determines that Ningbo Dongxin is eligible to receive a separate rate in this administrative review.⁷ For additional information, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

China-Wide Entity

Commerce's policy regarding the conditional review of the China-wide entity applies to this administrative review.⁸ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the China-wide entity is not under review, and the China-wide entity's rate (*i.e.*, 48.91 percent)⁹ is not subject to change.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹² Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. Assessment Rates

Upon completion of the final results, Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries of subject merchandise covered by this review.

If an examined respondent's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent) in the final results of this review, we intend to calculate an importer-specific assessment rate for antidumping duties based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹⁵ If the weighted-average dumping margin for Ningbo Dongxin or an importer-specific assessment rate is zero or *de minimis* in the final results of this review, we intend to instruct CBP to liquidate the appropriate entries

¹³ See 19 CFR 351.303.

¹⁴ See *APO and Service*.

without regard to antidumping duties.¹⁶ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁷

For Ningbo Zhongjiang, for which we are rescinding this administrative review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period of review, in accordance with 19 CFR 351.212(c)(1)(i).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of review, as provided in section 751(a)(2)(C) of the Act: (1) for the subject merchandise exported by the company listed above that has a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this administrative review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters of subject merchandise not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity, *i.e.*, 48.91 percent;¹⁸ and (4) for all non-Chinese exporters of

subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of this administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, 19 CFR 351.213, and 19 CFR 351.221(b)(4).
