33 CFR Part 100

[Docket No. USCG–2024–0403]

Special Local Regulation; Marine Events Within the Eleventh Coast Guard District—Great Western Tube Float

AGENCY: Coast Guard, DHS.

ACTION: Notification of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Great Western Tube Float special local regulation on the waters of Parker, Arizona on June 8, 2024. This special local regulation is necessary to provide for the safety of the participants, crew, sponsor vessels, and general users of the waterway. During the enforcement period, persons and vessels are prohibited from entering, transiting through, or anchoring within this regulated area unless authorized by the Captain of the Port, or his designated representative.

DATES: The regulations in 33 CFR 100.1102 will be enforced from 7 a.m. until 5 p.m., on June 8, 2024 for the location described in Item No. 9 in Table 1 to § 100.1102.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notification of enforcement, call or email Lieutenant Shelley Turner, Waterways Management, U.S. Coast Guard Sector San Diego, CA; telephone 619–278–7656, email MarineEventsSD@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the special local regulations in 33 CFR 100.1102 for the

Great Western Tube Float in Parker, AZ for the location described in Table No. 1 to § 100.1102, Item No. 9 of that section, from 7 a.m. to 5 p.m. on June 8, 2024. This action is being taken to provide for the safety of life on the navigable waterway during the race. Our regulation for recurring marine events on the Colorado River, between Davis Dam (Bullhead City, Arizona) and Headgate Dam (Parker, Arizona), § 100.1102, Table 1 to § 100.1102, Item No. 9, specifies the location of the regulated area for the Great Western Tube Float, which encompasses portions of the Colorado River. Under the provisions of § 100.1102, persons and vessels are prohibited from entering, transiting through, or anchoring within this regulated area unless authorized by the Captain of the Port, or his designated representative. The Coast Guard may be assisted by other Federal, State, or local law enforcement agencies in enforcing this regulation.

In addition to this document in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via the Local Notice to Mariners and local advertising by the event sponsor.

If the Captain of the Port Sector San Diego or his designated representative determines that the regulated area need not be enforced for the full duration stated on this document, he or she may use a Broadcast Notice to Mariners or other communications coordinated with the event sponsor to grant general permission to enter the regulated area.

J.W. Spittler,

Captain, U.S. Coast Guard, Captain of the Port San Diego.

[Docket Number USCG-2024-0372]

RIN 1625-AA00

Safety Zone; Saginaw Memorial Cup Fireworks, Saginaw River; Saginaw, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters on the Saginaw River, Saginaw, MI. The safety zone is

necessary and intended to protect personnel, vessels, and the marine environment from potential hazards associated with fireworks displays created by the Saginaw Spirit organization. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Detroit, or his designated representative.

DATES: This rule is effective from 10 p.m. on May 24, 2024 through 10:30 p.m. on June 1, 2024. The rule will be enforced from 10 p.m. through 10:30 p.m. on both May 24, 2024 and June 1, 2024.

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the event sponsor notified the Coast Guard with insufficient time to publish an NPRM and immediate action is necessary to protect personnel, vessels, and the marine environment on the Saginaw River. It is impracticable and contrary to the public interest to publish a NPRM because we must establish this safety zone by May 24, 2024.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for

making this rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with a fireworks display.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Detroit (COTP) has determined that potential hazards associated with fireworks displays will be a safety concern for anyone within a 200-yard radius of the launch site. The likely combination of recreational vessels, darkness punctuated by bright flashes of light, and fireworks debris falling into the water presents risks of collisions which could result in serious injuries or fatalities. This rule is necessary to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the fireworks display.

IV. Discussion of the Rule

This rule establishes a safety zone from 10 p.m. through 10:30 p.m. on May 24, 2024 and June 1, 2024. The safety zone will encompass all U.S. navigable waters of the Saginaw River within a 200-yard radius of the fireworks launch site located 43°26.225' N, 083°56.46' W, in Saginaw, MI. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during the fireworks display. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Detroit or his designated representative. The Captain of the Port Detroit or his designated representative may be contacted via VHF Channel 16.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under
