SUPPLEMENTARY INFORMATION: The Controlled Substances Act (CSA) prohibits the cultivation and distribution of marihuana except by persons who are registered under the CSA to do so for lawful purposes. In accordance with the purposes specified in 21 CFR 1301.33(a), the Drug Enforcement Administration (DEA) is providing notice that the entity identified below has applied for registration as a bulk manufacturer of schedule I controlled substances. In response, registered bulk manufacturers of the affected basic class(es), and applicants therefor, may submit electronic comments on or objections of the requested registration, as provided in this notice. This notice does not constitute any evaluation or determination of the merits of the application submitted.

The applicant plans to manufacture bulk active pharmaceutical ingredients (APIs) for product development and distribution to DEA registered researchers. If the application for registration is granted, the registrant would not be authorized to conduct other activity under this registration aside from those coincident activities specifically authorized by DEA regulations. DEA will evaluate the application for registration as a bulk manufacturer for compliance with all applicable laws, treaties, and regulations and to ensure adequate safeguards against diversion are in place.

As this applicant has applied to become registered as a bulk manufacturer of marihuana, the application will be evaluated under the criteria of 21 U.S.C. 823(a). DEA will conduct this evaluation in the manner described in the rule published at 85 FR 82333 on December 18, 2020, and reflected in DEA regulations at 21 CFR part 1318.

In accordance with 21 CFR 1301.33(a), DEA is providing notice that on May 6, 2024, Lily’s Eden Garden Farms Corporation, 1821 Waterman

Road, Delhi, New York 13753, applied to be registered as a bulk manufacturer of the following basic class(es) of controlled substances:

Controlled substance	Drug code	Schedule
Marihuana Extract	7350	I
Marihuana	7360	I

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On June 10, 2024, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of Missouri in the lawsuit entitled *United States v. Santolubes, LLC, et al.*, Civil Action No. 24–cv–807.

The proposed Consent Decree would resolve claims the United States has brought pursuant to sections 106 and 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9606 and 9607(a), as amended by the Superfund Amendments and Reauthorization Act of 1986 (“CERCLA”), regarding the Findett/Hayford Bridge Road Groundwater Superfund Site Operable Unit 1 (“OU1”) in St. Charles County, Missouri.

Under the Consent Decree, Santolubes, LLC, Santolubes Manufacturing, LLC, and Santolubes Spartanburg Holdings will pay \$300,000 for response costs at the Sites. Of these funds \$280,000 will be deposited into a court registry account to be transferred either to the Environmental Protection Agency or any parties performing work at the Site under an agreement with the United States. The remaining \$20,000 will be transferred to EPA to perform response actions at the Site. In exchange, the United States and the State will provide covenants not to sue or to take administrative action against Defendants pursuant to sections 106 and 107(a) of CERCLA, 42 U.S.C. 9606 and 9607(a) regarding the Site. This settlement is based on an analysis of the Defendant’s limited ability to pay.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be

addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Santolubes, LLC, et al.*, 24–cv–807, D.J. Ref. No. 90–11–2–417/5. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

To submit comments:	Send them to:
By email	pubcomment-ees.enrd@usdoj.gov
By mail	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044–7611.

During the public comment period, the Consent Decree may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. If you require assistance accessing the proposed Consent Decree, you may request assistance by email or by mail to the addresses provided above for submitting comments.

Kathryn C. Macdonald,
Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division.

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Office of Federal Contract Compliance Programs Construction Recordkeeping and Reporting Requirements

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Office of Federal Contract Compliance Programs (OFCCP)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before July 17, 2024.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/

PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Michael Howell by telephone at 202–693–6782, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The U.S. Department of Labor’s (DOL) Office of Federal Contract Compliance Programs (OFCCP) is seeking Office of Management and Budget approval for a revision to the information collection implementing OFCCP’s construction program. This information collection request (ICR) outlines the legal authority, procedures, burden, and costs associated with the recordkeeping and reporting requirements for Federal construction contractors and subcontractors as well as federally assisted construction contractors and subcontractors. This ICR includes the information collection instrument that notifies construction contractors that they have been selected to undergo a construction compliance evaluation: the construction compliance review scheduling letter and itemized listing. This ICR also includes the Construction Contract Award Notification Requirement Form (CC–314). The CC–314 is a form that construction contractors submit to OFCCP notifying the agency of new contract awards that exceed \$10,000. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on February 26, 2024 (89 FR 14109).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of

law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

SUPPLEMENTARY INFORMATION: Form OWCP–1500 is used by OWCP and contractor bill payment staff to process bills for medical services provided by medical professionals other than medical services provided by hospitals, pharmacies and certain other medical providers. This information is required to pay health care providers for services rendered to injured employees covered under the Office of Workers’ Compensation Programs—administered programs. Appropriate payment cannot be made without documentation of the medical services that were provided by the health care provider that is billing OWCP. The information obtained to complete claims under these programs is used to identify the patient and determine their eligibility. It is also used to decide if the services and supplies received are covered by these programs and to assure that proper payment is made. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on February 21, 2024 (89 FR 13106).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.
